- Section 90(2)(b)(iii)	Negotiation between the municipality and a first nation or a prescribed Indigenous entity, or between a first nation or a prescribed Indigenous entity and a third party

Reconvene and Adjourn Regular Meeting of Council

DELEGATION NOTICE

Date: April 21, 2026

File No: 4.14.2

To: Mayor and Council

From: Warren Waycheshen, CAO

Delegation: Kitimat Public Library
Re: Kitimat Public Library Budget Changes 2026
Applicant: n/a
Location: n/a

Kitimat Public Library representatives Sam Anderson, Library Director and Tina Watchorn, Vice Chair will be attendance regarding changes to the Kitimat Public Library budget specifically to the wage top up denial and the potential operational schedule change to hours. (Attachment A)

Background

At the February 17, 2026, Regular meeting, Council approved the Kitimat Public Library's Operating grant of $574,683 and the rent grant request of $111,600. The wage request for 2026 of $6,696 was not approved at the March 2, 2026, meeting.

Attachment(s): A - Letter from Kitimat Public Library

THIS PAGE INTENTIONALLY LEFT BLANK

Attachment A

We are appearing before Council today to seek clarification regarding changes to the budget from last year. The situation is somewhat unclear, and we would appreciate a better understanding of what occurred—particularly given that these changes were not communicated in advance and came as a surprise to us.

Last year, we requested wage parity with the District rather than a top-up grant, and we were allocated a 3.3% increase to our wages budget for 2025. This year, however, we were informed that an amount of $6,526 had been denied, which is the source of our confusion. In previous years, such amounts would typically have been rolled into the following year's budget, and we prepared our 2026 budget on that basis.

It was not until we received the award letter that we became aware the approved amount was lower than requested. Specifically, the Library received a 1.4% increase rather than the anticipated 2.6%. The award letter did not indicate that wage parity had been denied or that it was not under consideration. Had this been communicated, the Library would have prepared and presented its budget differently.

This situation presents a significant challenge. It is not feasible to provide employees with a wage increase one year and then withdraw that support the next. As the Library operates within a unionized environment, we are obligated to adhere to the terms of the collective agreement, including negotiated wage increases.

The Library serves as an essential community hub and remains one of the few spaces in town where individuals can gather without financial obligation. Funding from the District primarily supports staff wages, and without incremental increases, we face ongoing challenges in retaining qualified employees who may seek higher-paying opportunities elsewhere. Additionally, limited funding restricts our ability to meet community expectations, including maintaining operations throughout the full week and possibly extending our evening hours, as patrons have asked for. This extension would also require adherence to safety protocols, further impacting our operating budget.

The Library has consistently partnered with the District to share financial responsibilities on key projects, helping to mitigate budget pressures. For example, the Library independently raised funds to cover the full cost of the recent carpet installation, despite this being a capital expense associated with a District-owned facility. Similarly, while we requested a $15,000 capital contribution toward a new movable wall, the Library ultimately raised $30,000 to fund the purchase, with the understanding that the District would provide labour. These examples reflect the Library's ongoing commitment to supporting community infrastructure, often assuming costs that would typically fall within the District's responsibility.

The Library also collaborates and has formed partnerships with many community groups and non-profits in Kitimat and the surrounding area including TSW, many Daycares, Hospital Auxiliary, Age Friendly, Retired Teachers, the Swimming Pool, Firesmart, RCMP, Men's Shed, Kitimat Valley Naturalists, Kitimat Public Art Alliance, Science World, AFFNO, SVSC, Class tours, On Cue, Douglas Channel Watch, Robotics, Girl Guides, Kitimat-Stikine Regional District, Canada Film Day, CBC Olympics, and the NWLF.

Here are some numbers from the week of March 8-14th, 2026 to give some perspective on how busy the Library is.

Attendance: 1021 Patrons (approx. 145 people per day)

Programs & Attendance: 7 programs & 88 attendees

Meeting Room used: 10 times

During recent maintenance work on the front entrance, a District employee remarked on the high volume of visitors, noting how frequently he needed to step down from his ladder to allow patrons into the Library. He also expressed surprise upon learning that this activity occurred prior to the regular after-school peak period, further underscoring the Library's significant daily usage.

As a result of the reduced funding, the Library is now operating below its projected budget. Consequently, we have no option but to possibly implement a closure on a designated day each week for the remainder of the year. The funding shortfall directly impacts our ability to sustain staffing levels, as the lost amount would have otherwise covered employee wages.

We hope that Council and the Library can work collaboratively toward a mutual understanding and reach an agreement to fully fund the Library for the current year and years going forward.

MINUTES OF DISTRICT OF KITIMAT

REGULAR MEETING

MEETING HELD IN THE COUNCIL CHAMBERS,
606 MOUNTAINVIEW SQUARE, MONDAY APRIL 20, 2026, AT 7:00 PM

Present:	Acting Mayor	M. Martins
Present:	Councillors	E. Empinado, M. Feldhoff, T. Marleau, G. Pitzel
	Via Web Ex	G. Leibel
Absent:	Mayor	P. Germuth

Acting Mayor Martins called for public input on the Development Variance Permit for 8 Drake Street.

There were no comments from the public.

Acting Mayor called for public input on agenda items.

There were no comments from the public.

5. Media Inquiries - For Clarification Only

Acting Mayor Martins called for media inquiries on agenda items.

There were no media inquiries.

6. Call for New Business / Adoption of the Agenda

Moved and seconded,
THAT Council remove Item 10.3, Northern Development Initiative Trust Recreation Infrastructure Program Grant Application from the April 20, 2026, Regular agenda.

Motion Carried Unanimously
Motion: R26-155

Moved and seconded,
THAT the April 20, 2026, Regular Agenda be adopted as amended.

Motion Carried Unanimously
Motion: R26-156

7. Consent Agenda

Moved and seconded,
THAT the Consent Agenda for April 20, 2026, be approved as presented.

Motion Carried Unanimously
Motion: R26-157

All correspondence was received and filed.

The following Council meeting minutes were adopted:

Regular Meeting of Council, April 7, 2026.

8. Notice of Motion

There were no Notice of Motions.

9. Bylaws

9.1. 3 Blueberry Avenue Zoning Amendment Bylaw No. 2080, 2026

Councillor Feldhoff declared a bias as a family member signed a letter to council opposing Bylaw No. 2080 and left the meeting at 7:33 p.m.

Moved and seconded,
THAT 3 Blueberry Avenue Zoning Amendment Bylaw No. 2080, 2026 be adopted.

Motion Carried Unanimously
Motion: R26-158
3 Blueberry Avenue Zoning Amendment Bylaw No. 2080, 2026 (7.5.3.160.1)

Councillor Feldhoff returned to the meeting at 7:35 pm

9.2. District of Kitimat Miscellaneous Fees and Charges Amendment Bylaw 2079, 2026

Moved and seconded,
THAT the District of Kitimat Miscellaneous Fees and Charges Amendment Bylaw 2079, 2026 be adopted.

Motion Carried Unanimously
Motion: R26-159
District of Kitimat Miscellaneous Fees and Charges Amendment Bylaw 2079, 2026 (1.2.1.5)

9.3. Five-Year Financial Plan Bylaw No. 2081, 2026; Tax Rates Bylaw No. 2082, 2026; Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026

Moved and seconded,
THAT the Five-Year Financial Plan Bylaw No. 2081, 2026 be given first, second and third readings.

Motion Carried Unanimously
Motion: R26-160
Five-Year Financial Plan Bylaw No. 2081, 2026; Tax Rates Bylaw No. 2082, 2026; Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026 (2.10.3.1)

Moved and seconded,
THAT the Tax Rates Bylaw No. 2082, 2026 be given first, second and third readings.

Motion Carried Unanimously
Motion: R26-161
Five-Year Financial Plan Bylaw No. 2081, 2026; Tax Rates Bylaw No. 2082, 2026; Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026 (2.10.3.1)

Moved and seconded,
THAT the Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026 be given first, second and third readings.

In favour: Acting Mayor Martins, Councillors Empinado, Feldhoff, Marleau and Pitzel
Opposed: Councillor Leibel
Motion **Carried**
Motion: R26-162
Five-Year Financial Plan Bylaw No. 2081, 2026; Tax Rates Bylaw No. 2082, 2026; Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026 (2.10.3.1)

10. Reports and/or Communications

10.1. Development Variance Permit Application - Gurang Dhindsa - 8 Drake Street

Moved and seconded,
THAT Development Variance Permit No. 01-2026, attached to the Development Variance Permit Application report for 8 Drake Street, dated April 15, 2026, be approved.

Motion Carried Unanimously
Motion: R26-163
Development Variance Permit Application Gurang Dhindsa 8 Drake Street (7.9.3.129)

10.2. Development Variance Permit Application Noel Simpkins 143 Sturgeon Street

Moved and seconded,
THAT staff be directed to process the Development Variance Permit application from Noel Simpkins, dated April 1, 2026, for the property at 143 Sturgeon Street.

THAT the Development Variance Permit application from Noel Simpkins, dated April 1, 2026, for the property at 143 Sturgeon Street, not be referred to the Advisory Planning Commission.

Motion Carried Unanimously
Motion: R26-164
Development Variance Permit Application Noel Simpkins 143 Sturgeon Street (7.9.3.130)

10.3. Northern Development Initiative Trust Recreation Infrastructure Program Grant Application

Item 10.3 was removed from the Agenda by Council resolution R26-155

10.4. Kitimat Pop-Up Shop Pilot Program Guidelines

Moved and seconded,

Their Worship Philip Germuth
Mayor of the District of Kitimat
270 City Centre
Kitimat BC V8C 2H7

Dear Mayor Philip Germuth:

Thank you for your letter of March 20, 2026, regarding the establishment of a blood plasma donation centre in Prince George.

I appreciate the time you have taken to share your suggestion on behalf of the District of Kitimat and I want to acknowledge the strong advocacy of northern residents whose efforts help strengthen access to essential services for people across British Columbia.

Canadian Blood Services (CBS) is an independent, not-for-profit charitable organization primarily funded by the governments of all provinces and territories, except Quebec. CBS is responsible for supplying blood and plasma to provinces and territories, including operational decisions related to donor centre locations.

Regarding your suggestion, decisions related to CBS operations are managed exclusively by CBS meaning that Provincial and territorial governments are not involved in these operational matters. I encourage you to continue these discussions with Dr. Graham Sher, Chief Executive Officer of CBS.

While I understand this may not be the response you were seeking, I appreciate the opportunity to respond.

Sincerely,

Josie Osborne
Minister

pc: Dr. Graham Sher, Chief Executive Officer, Canadian Blood Services
Lori Ferreira, Executive Assistant, District of Kitimat

Philip Germuth
Mayor – District of Kitimat
270 City Centre
Kitimat BC V8C 2H7

Dear Mayor Germuth:

Thank you for your letter in support of a plasma donor centre in Prince George, British Columbia. Your advocacy for creating donation opportunities for residents of Kitimat and Northern B.C. is truly commendable.

While we do not have plans to collect plasma or blood in Northern B.C. at this time, our planning cycles are continuous, and we will continue to review service options as patients' needs and operating conditions evolve.

For context, decisions about centre locations and mobile events are made nationally and take into account a range of factors, including the size of the eligible donor population, anticipated collection volumes, labour and transportation costs, and the need to maintain an efficient, cost-effective and sustainable blood system. In remote regions, additional considerations come into play, such as the need for reliable transportation corridors to move temperature-sensitive blood and blood components to our manufacturing and testing facilities within tight windows of time. All together, these factors are some of the reasons we are not currently planning to expand collection services into Northern B.C. Your perspectives, however, will inform these reviews as part of our ongoing considerations.

I also want to reaffirm that the national blood system exists to serve every patient in Canada—regardless of where blood or plasma is collected. Even though we cannot collect blood or plasma donations in all communities, the system functions as a unified national program, ensuring that blood and blood products are available for patients in Canada when and where they need them.

The compassion demonstrated by many community members in Northern B.C. is deeply valued, and we are encouraged by the shared commitment to support Canada's Lifeline. While blood and plasma donation opportunities are not currently available in Northern B.C., there are other meaningful ways residents can help patients. People anywhere in Canada can register their intent to donate organs and tissues, make a financial donation, or learn more about joining the stem cell registry.

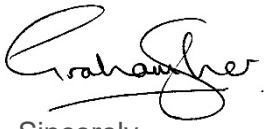

If members of your community are interested in planning a local stem cell recruitment event, we can put them in touch with a member of our recruitment team who can help get them started.

Northern & Rural Governments in
British Columbia

Transmitted via email

April 28, 2026

RE: **City of Prince George requesting co-sponsorship of the Northern-Rural Homeowners Grant resolution to UBCM**

Dear Colleagues,

On behalf of the Prince George City Council, I am writing to ask for your support in cosponsoring on the attached Northern-Rural Homeowners Grant resolution to UBCM. The homeowner grant offered by the Government of British Columbia helps reduce the amount of property taxes residents pay each year on their principal residence. The grant is available to homeowners who pay property taxes to a municipality, or directly to the Province if they live in a rural area.

Currently, the regular grant amount is **$570** for properties located in the Capital Regional District, the Metro Vancouver Regional District, and the Fraser Valley Regional District. For all other areas of the province, the grant amount is **$770**.

However, effective for the 2027 and subsequent taxation years, the $200 Northern and Rural Homeowner Benefit will be repealed. This benefit was originally introduced as part of the homeowner grant program to offset the effects of the carbon tax, which has now ended. As a result, the regular homeowner grant will be reduced to $570 across all areas of the province.

This change will have a disproportionate impact on northern and rural communities. Municipalities in these regions continue to face unique and persistent cost pressures not experienced to the same extent in southern urban centres. Higher transportation costs, longer supply chains, increased heating expenses, and limited access to services are ongoing realities for residents in our communities. These challenges will not disappear simply because provincial tax policy has changed.

We are calling on all northern and rural local governments impacted by this decision to stand together in support of this resolution and formally urge the Province to reverse the repeal of the Northern and Rural Homeowner Benefit or implement a meaningful alternative that reflects the true cost of living in our regions.

A strong and coordinated response from municipalities across British Columbia will send a clear message: provincial programs must recognize regional realities and must not unfairly disadvantage northern and rural residents. Together, we can advocate for fairness, protect affordability, and help ensure the long-term sustainability and viability of our communities. We encourage you to make your voice heard by co-sponsoring this resolution.

Respectfully,

Mayor Simon Yu
City of Prince George

Resolution: Northern-Rural Homeowners Grant

WHEREAS the Province has indicated they will end the northern and rural homeowner benefit beginning in 2027 reducing the amount northern and rural communities are eligible for;

AND WHEREAS there remains strong rationale for a higher grant value in northern and rural communities due to higher costs of heating and transportation regardless of the repeal of the consumer carbon tax.

THEREFORE BE IT RESOLVED that UBCM strongly urges the Province to explain and reverse the decision to reduce the Northern Rural Homeowners grant

COUNCIL REPORT

Date: April 27, 2026

File: 2.10.3.1

To: Warren Waycheshen, CAO - for Mayor and Council

From: Sue-Lin Tarnowski, Director of Finance

Re: Five-Year Financial Plan Bylaw No. 2081, 2026
Tax Rates Bylaw No. 2082, 2026
Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026

Applicant: n/a

Location: n/a

Recommendation:

Action: Council consider adoption of the Five-Year Financial Plan Bylaw No. 2081, 2026, Tax Rates Bylaw No. 2082, 2026 and Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026.

Recommended Motion 1:

THAT Five-Year Financial Plan Bylaw No. 2081, 2026 be adopted.

Background:

Five Year Financial Plan

At the April 20, 2026, Regular Meeting of Council, the Five-Year Financial Plan Bylaw No. 2081, 2026 received three readings (Attachment A)

Pursuant to section 165 of the *Community Charter*, a Municipality must, before the 15th day of May in each year, have a Financial Plan that is adopted, by bylaw, before the annual property tax bylaw is adopted. The financial plan must set out the objectives and policies of the municipality for the planning period in relation to the operating and capital budgets, the distribution of property value taxes among the property classes that may be subject to the taxes, and the use of permissive tax exemptions.

The Five-Year Financial Plan Bylaw contains property tax rates at a 4.79% increase from 2025.

Recommended Motion 2:

THAT Tax Rate Bylaw No. 2082, 2026 be adopted.

Background:

Tax Rates Bylaw

At the April 20, 2026, Regular Meeting of Council, the Tax Rate Bylaw No. 2082, 2026 received three readings (Attachment B)

Section 197 of the *Community Charter* after adoption of the Five-Year Financial Plan a Council must adopt a property value tax bylaw to establish the tax rates for the collection of municipal revenue as provided in the financial plan, as well as the amounts to be collected on behalf of

other local governments or public bodies. Similar to the Five-Year Financial Plan the 2026 annual tax rates bylaw must be adopted before May 15, 2026.

The Tax Rates Bylaw sets tax rates for the taxing authorities including the District of Kitimat, BC Transit, Kitimat-Stikine Regional District and Northwest Regional Hospital (the District does not set tax rates for any other external agencies). The Bylaw contains property taxes at a 4.79% increase from 2025 for the District of Kitimat tax collection. The actual increase or decrease in taxes a property will pay depends on the individual property's amount of movement from the previous year's assessment and the amount of taxes collected for other governments.

Recommended Motion 3:

THAT Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026 be adopted.

Background:

Residential Flat Rate Tax Amendment Bylaw

At the April 20, 2026, Regular Meeting of Council, the Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026 received three readings (Attachment C)

In 1990, section 273.2 was added to the *Municipal Act* to permit municipal councils to levy a flat rate tax on residential properties according to whether it was vacant land by means of Bylaw.

For 1991 and subsequent years, section 273.2 of the *Municipal Act* allowed the residential flat rate tax to be imposed based on the classification system in the Residential Flat Rate Tax Regulation. On July 3, 1992, the Province enacted *the Assessment and Property Tax Reform Act, 1992* which repleaded section 273.2 of the *Municipal Act*, but for municipalities which had a residential flat rate tax bylaw, the legislation provided that bylaw remain in force and the council had the power to continue levying a residential flat rate tax by amendment of the bylaw.

Once a local government ceases using the Residential Flat Tax, it cannot be reinstated in the following years.

The Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026 amends the flat tax rate for 2026 to $800.

Alternative Options:

1. If Council wishes to amend any of these bylaws, the following is offered for Council consideration:

   THAT third reading of (*Five Year Financial Plan Bylaw No. 2081, 2026/Tax Rate Bylaw No. 2082, 2026/Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026*) **be rescinded;**

   THAT (*Five Year Financial Plan Bylaw No. 2081, 2026/Tax Rate Bylaw No. 2082, 2026/Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026*) **be amended by:**
   - (to be determined through Council discussion)

   AND THAT *(Five Year Financial Plan Bylaw No. 2081, 2026/Tax Rate Bylaw No. 2082, 2026/Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026)* **receive third reading.**

Staff will bring these bylaws back to a future meeting for consideration of adoption prior to May 15, 2026, to ensure the District meets the legislated time frame.

Budget Implications:

Established through the 2026 municipal budget.

BYLAW NO. 2081, 2026

Five Year Financial Plan Bylaw No. 2081, 2026

A BYLAW TO ADOPT THE DISTRICT OF KITIMAT 2026-2030 FINANCIAL PLAN

WHEREAS the Community Charter requires Council to adopt, by bylaw, a Financial Plan before the annual property tax bylaw (Tax Rates Bylaw No. 2082, 2026) is adopted;

NOW THEREFORE the Council of the District of Kitimat, in open meeting assembled, enacts as follows:

1. This bylaw may be cited for all purposes as “Five-Year Financial Plan Bylaw No. 2081, 2026”.

2. The Financial Plan 2026 includes the breakdown of revenues and expenses attached as Schedule "A", and Statement of Objectives and Policies, attached as Schedule "B", forming part of this bylaw, are hereby adopted as the Financial Plan for the five-year period 2026 - 2030.

3. This bylaw shall take effect and be binding upon all persons as from the date of adoption.

DISTRICT OF KITIMAT
2026 FINANCIAL PLAN

OBJECTIVES AND POLICIES

AS PER SECTIONS 165 & 197 OF THE *COMMUNITY CHARTER*
BYLAW NO. 2081, 2026

The following statements of objectives and policies are to comply with Sections 165 & 197 of the *Community Charter*.

A. OVERALL MUNICIPAL OBJECTIVES

1. To raise revenues sufficient to cover all expected expenditures and financial requirements of the municipality (Years 2-5 are estimates and will be finalized in their respective years) is consistent with the mission statement of the Municipality:

   "To facilitate a high quality of community life for citizens of all ages." and,

   "To provide high quality municipal services at the lowest possible cost.".

2. To provide municipal services at a sufficiently wide variety and high level to facilitate the recruitment and retention of necessary employees for the major industries upon which the municipality is based, and supporting services businesses, and to offset, more or less, the perceived disadvantages to employee recruitment and retention of the community's remote location.

3. To encourage and foster cultural diversity.

4. To encourage a community balance among recreational opportunity, environmental integrity, and industrial growth.

5. To foster industrial and business development and tourism through the promotion of the natural business advantages of the area and community.

6. To encourage the retention and recruitment of retirees to the community.

7. To respect taxpayers ability to pay and to keep tax increases reasonably in line with inflationary cost increases.

B. OBJECTIVES FOR SOURCES OF REVENUES

There are two basic methods of raising revenues for municipal services:

1. Taxation
2. User pay

There are numerous options of each and/or mixtures of both.

1. Taxation

In general, taxation is the preferred method if the service has broad public benefit regardless of the quantity of the service any individual citizen consumes, and if market rationing of the quantity consumed is either unnecessary or undesirable.

For instance, if the marginal cost of consumption is zero or close to zero, there is little need to ration consumption through user fees. The next amount consumed does not add any extra cost.

As well, if consumption of the service provides a benefit to others, it is undesirable to discourage consumption through user fees, and taxation is the preferred revenue choice.

2. User Pay

User pay is preferable when the marginal costs of consumption is positive so that the more consumed the higher the cost of the service, and/or if there is no broad public benefit accruing to those who do not consume the service.

User pay therefore is a method of rationing the service and of controlling costs. It is seen as equitable as it does not impart costs on those who do not benefit from the provision of the service, either directly or indirectly.

The District of Kitimat recognizes that an important objective is to offset the location disadvantages of the community's remoteness and wet climate in order to attract and retain a qualified workforce for the large complex industries for which the municipality was established and to attract and retain retirees to the community.

Therefore, an important objective is to ensure that consumption of quality services, particularly recreation, is not discouraged by price. This was done at the request of major industry prior to 1983 to create and maintain the most livable of communities. As well this objective remains critical in the fostering of the community to persons on fixed incomes seeking high quality of life in their senior years.

Accordingly, the policy for sources of funding is as follows.

C. POLICY FOR SOURCES OF FUNDING

- To have user fees, where applied, to enhance responsible consumption of municipal services while promoting the public benefit of maximum participation in healthy activities provided by the community, and yet not create a financial barrier to the access and enjoyment of municipal facilities and services to all citizens;

- For recreation facilities and services is to recover 17-22% of total cost of providing such services;

- For water which incurs a marginal cost of production only after a significant use as the reticulation system can deliver more water than the community can consume and there is no raw water supply shortage, user pay shall be less than the 5-year average of operating costs;

- All other services will be funded by taxation supplemented by vigorous pursuit of grant funding.

The following is the Proportion of Revenues in 2026 from each source:

Revenue Source	% of Total Revenue	Dollar Value
Property taxes	67.8%	$43,002,451
Government grants	15.5%	$9,839,207
Revenue from own sources	8.3%	$5,258,628
Sales of Services	5.1%	$3,208,289
Water Utility Fees	1.4%	$870,186
Utility tax	1.0%	$653,719
Return on Investment	1.0%	$625,742
Total	**100%**	**$63,458,221**

D. OBJECTIVES FOR TAX APPORTIONMENT AMONG ASSESSMENT CLASSES

a. To set Residential taxes in the lowest quartile of municipalities in British Columbia and Commercial taxes in the lowest quartile of North Central municipalities in British Columbia, to foster the development of retail and commercial services, and to assist with the recruitment and retention of quality industrial employees, employees for supporting commercial businesses, and the retention and recruitment of retirees.

b. To have the Light Industry property tax rates in the midrange of municipalities in British Columbia.

c. To seek other industries to provide for a reduction in property tax rates as assessments and the number of properties increase.

E. POLICIES FOR TAX APPORTIONMENT

The following policies are to advance the above municipal objectives:

1. POLICY FOR TAX APPORTIONMENT AMONG PROPERTY CLASSES:

In pursuit of the above objectives, the policy of the District of Kitimat for the apportionment of municipal property tax burden will be, in the approximate ranges, as follows:

a. Class One Residential ..... 12 - 25%
b. Class Two Utility, As per Local Government Act..... 0.1 - 1.5%
c. Class Four Major Industry ..... 60 - 80%
d. Class Five Light Industry ..... 1 - 10%
e. Class Six Business and Commercial ..... 5 - 12%

Class 2 is as per the local government act and is limited by $40/1,000 or 2.5 times Class 6 rates. The target range for the apportionment of taxes is kept deliberately broad to accommodate the construction of significant new projects that have been announced.

2. CALCULATED 2026 TAX APPORTIONMENT AND RATES

Class	2024 Actual	2025 Actual	2026 Calculated	2026 Dollar Value
One – Residential	14.03%	14.27%	14.27%	$6,186,753
Two – Utility	1.26%	1.22%	1.22%	$595,274
Four - Major Industry	75.64%	75.47%	75.47%	$32,303,796
Five - Light Industry	0.93%	0.91%	0.91%	$393,889
Six - Business/Commercial	8.10%	7.97%	7.97%	$3,454,446
Other	0.05%	0.16%	0.16%	$68,293
Total	**100%**	**100%**	**100%**	**$43,002,451**

F. OBJECTIVES OF PERMISSIVE TAX EXEMPTIONS

(SECTION 224 OF THE COMMUNITY CHARTER)

Permissive tax exemptions, allowed by Section 224 of the Community Charter, will be considered to encourage activities consistent with the quality-of-life objectives of the municipality; which provide direct access and benefit to the public; and which would otherwise be provided by the municipality.

G. POLICY FOR SECTION 224 EXEMPTIONS

Section 224 permissive tax exemptions may be granted at the discretion of Council, in the following circumstances:

a. To activities provided by Not-for-Profit organizations that provide public access to services consistent with the mission of the municipality which would otherwise be provided by the municipality.

b. To activities provided by private citizens who provide public access to services consistent with the mission of the municipality which would otherwise be provided by the municipality.

H. REVITALIZATION TAX EXEMPTIONS

(SECTION 226 OF THE COMMUNITY CHARTER)

Revitalization tax exemptions, allowed by Section 226 of the Community Charter, have been implemented to encourage new industry or commerce as well as new buildings or improvements in existing buildings that support environmental, economic, social, beautification or other Council objectives.

I. COMMUNITY SUSTAINABILITY PLANNING

- To support long term financial and community sustainability.

Long term financial planning is paramount for ensuring financial sustainability and resilience for communities. Establishing a community sustainability and resiliency reserve allows Council to mitigate the impact of revenue fluctuations and economic downturns. This reserve enables Council to maintain essential services and critical infrastructure, uphold long-term fiscal health, and safeguard the well-being of current and future residents.

J. ASSET REPLACEMENT PLANNING

- To support financial sustainability and provide predictable funding for asset replacement.

Council recognizes there is an asset funding gap and has started sustainable financial planning by directing staff to develop an asset management plan. The asset funding gap represents a critical and widespread challenge for municipalities. Consistent funding, primarily from a reserve, will mitigate the risk of asset failure, asset obsolescence and maintain operational continuity.

DISTRICT OF KITIMAT
BYLAW NO. 2082, 2026

Tax Rates Bylaw No. 2082, 2026

A BYLAW FOR THE LEVYING OF RATES FOR MUNICIPAL, HOSPITAL, AND REGIONAL DISTRICT PURPOSES FOR THE YEAR 2026

The Council of the District of Kitimat in open meeting assembled, enacts as follows:

1. This bylaw will be cited as Tax Rates Bylaw No. 2082, 2026.

2. The following rates are hereby imposed and levied for the year 2026:

   a. For all lawful general municipal purposes of the District on the assessed value of land and improvements taxable for general municipal purposes, rates appearing in Column "A" of Schedule A attached hereto and forming a part hereof.

   b. For debt purposes on the assessed value of land and improvements taxable for general municipal purposes, rates appearing in Column "B" of Schedule A attached hereto and forming a part hereof.

   c. For Kitimat-Stikine Regional District purposes on the assessed value of land and improvements taxable for general municipal purposes, rates appearing in Column "C" of Schedule A attached hereto and forming a part hereof.

   d. For transit utility purposes on the assessed value of land and improvements taxable for Regional Hospital District purposes, rates appearing in Column "D" of Schedule A attached hereto and forming a part hereof.

   e. For hospital purposes on the assessed value of land and improvements taxable for North West Regional Hospital District purposes, rates appearing in Column "E" of Schedule A attached hereto and forming a part hereof.

3. The minimum amount of taxation upon a parcel of real property shall be $1.00.

DISTRICT OF KITIMAT
BYLAW NO. 2083, 2026

Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026

A BYLAW TO AMEND THE RESIDENTIAL FLAT RATE TAX BYLAW FOR 2026

WHEREAS:

A. In 1990 section 273.2 was added to the *Municipal Act* to permit municipal councils to levy a flat rate tax on residential properties according to whether or not it was vacant land, and Council adopted Bylaw No. 1436 for that purpose – "Flat Tax Bylaw No. 1, 1990";

B. For 1991 and subsequent years, section 273.2 of the *Municipal Act* allowed the residential flat rate tax to be imposed based on the classification system in the Residential Flat Rate Tax Regulation, and accordingly in 1991 Council adopted Bylaw No. 1459 – "Flat Tax Bylaw No. 1, 1991" – and in 1992 Council adopted Bylaw No. 1479 – "Flat Tax Bylaw No. 1, 1992" (which is defined as the "1992 Bylaw");

C. On July 3, 1992, the Province enacted the *Assessment and Property Tax Reform Act*, 1992, which repealed section 273.2 of the *Municipal Act*, but for municipalities which had a residential flat rate tax bylaw, the Legislation provided that that bylaw remained in force and the council had the power to continue levying a residential flat rate tax by amendment of the bylaw;

D. The District levied a residential flat rate tax each year from 1993 to 2025 inclusive;

E. By this Bylaw, the District imposes a residential flat rate tax for the 2026 year;

NOW THEREFORE the Council of the District of Kitimat in open meeting assembled, enacts as follows:

1. This Bylaw may be cited as "Residential Flat Rate Tax Amendment Bylaw No. 2083, 2026".

2. For the year 2026 a residential flat rate tax for general municipal purposes in the amount of $800.00 is hereby levied on all residential property that is classified under this Bylaw as not vacant land.

3. This bylaw shall take effect and be binding upon all persons as from the date of adoption.

COUNCIL REPORT

Date: April 27, 2026

File: 1.2.1.4

To: Warren Waycheshen, CAO - for Mayor and Council

From: Kiona Enders, Deputy CAO

Re: Kitimat Municipal Code Amendment Bylaw No. 2085, 2026

Applicant: n/a

Location: n/a

Recommendation:

Action: Council consider Kitimat Municipal Code Amendment Bylaw for first three readings.

Recommended Motion:

> **THAT Kitimat Municipal Code Amendment Bylaw No. 2085, 2026, receive first, second and third readings.**

Background:

Staff is presenting for Council consideration a bylaw to amend Part 1, Division 1 of the *Kitimat Municipal Code (KMC).* This section was likely the first section to be considered when this version of the KMC was developed, it is intended to provide overall direction on the interpretation and application of the KMC. This section has not been amended since 2018 and staff have noted some inconsistencies between it and other sections as well as clauses that should be included to assist overall in the interpretation and application of the KMC.

At one time, staff believe this section was meant to include all the definitions required for the interpretation and application of the KMC. However, as the KMC has grown and been revised, this approach has been very difficult to maintain and instead staff have included Part specific definitions within the Part and, if required, Division specific definitions within the Division to aid in the interpretation and application of specific topics. Having said that, staff do not recommend removing all the definitions at this time as there may be bylaws within the KMC that rely on the definitions. Staff will continue to review this section for further amendments.

Staff are proposing some housekeeping changes to Part 1, Division 1 which are noted in red for reference (Attachment A). This includes updates to definitions, additional interpretation clauses, updates to the contents to reflect the current KMC, and language update to section validity.

Kitimat Municipal Code Amendment Bylaw No. 2085, 2026, (Attachment B) is being presented to Council for consideration of three readings to reflect the amendments noted in red on Attachment A.

If Council gives first three readings to Bylaw No. 2085, staff will bring the bylaw back at a future meeting for consideration of adoption.

Alternative Options:

1. If Council wishes to make amendments to the bylaw, the following motion is offered for Council consideration:

THAT Kitimat Municipal Code Amendment Bylaw No. 2085, 2026, receive first reading.

AND THAT Kitimat Municipal Code Amendment Bylaw No. 2085, 2026, be amended by (as determined by Council).

Staff will make the amendments and bring the bylaw back for consideration of further readings at a future meeting of Council.

2. Another option as developed through discussion of Council.

Attachment(s): A – Part 1, Division 1 showing amendments in red
B – Kitimat Municipal Code Amendment Bylaw No. 2085, 2026

THIS PAGE INTENTIONALLY LEFT BLANK

PART 1 - GENERAL PROVISIONS
Division 1 - The Code

Subdivision 1 - Title

1.1.1. 1. This Bylaw shall be known as the Kitimat Municipal Code.

Subdivision 2 - Interpretation

1.1.2. 1. In this Bylaw, unless the context otherwise requires:

Act means the Local Government Act.

Authority Having Jurisdiction means the Manager and any member of staff acting under the Manager's orders and jurisdiction for the purpose of administering any regulation contained in the Code.

Assessor means the Assessor of the District of Kitimat.

Building Inspector means the Building Inspector and includes Assistant Building Inspectors of the District of Kitimat appointed by the Chief Administrative Officer.

Cafeteria means a self-serve restaurant.

Caretaker shall mean the person or persons duly appointed from time to time as Caretaker of the Kitimat Municipal Cemetery.

Cemetery means any parcel or tract of land owned, used or maintained by the Municipality as a Cemetery, columbarium or mausoleum.

Chief Administrative Officer means the Chief Administrative Officer of the District of Kitimat.

Chief of Police means the senior resident of the Royal Canadian Mounted Police Force detachment in the District.

Clerk means the Clerk of the District of Kitimat.

Code means the Kitimat Municipal Code.

Coffee Shop means a public coffee house or tea house or place with facilities for preparing and serving light refreshments without wine, malt liquor or other liquors.

Collector means the Collector of the District of Kitimat.

Community Project means any work, service enterprise or undertaking of a charitable or non-profit nature, being carried on in the Municipality or elsewhere for the benefit of persons living in the Municipality, or for the benefit of needy persons elsewhere in the world.

Council means the Mayor and Councillors of the District of Kitimat.

Dining Lounge means a public eating place in a club, hotel, or entertainment premise having tables, tablecloths and other table service with or without dance floor where meals are prepared and served at regular breakfast, luncheon, dinner, or supper hours with or without liquors.

Dining Room means a public eating place or divided sections of a public eating place, having tables covered with tablecloths and supplied with table service, in which premises meals are prepared and served at regular breakfast, luncheon or dinner hours with or without wine or malt liquor.

Director of Leisure Services means the Director of Leisure Services of the District of Kitimat or such person as may be carrying out the duties of the Director of Leisure Services for the District of Kitimat.

District means the District of Kitimat.

Fire Chief means the Fire Chief of the District of Kitimat or such person as may be carrying out the duties of the Fire Chief for the District of Kitimat.

Furnished means provided with sleeping, washing and sanitary facilities, which shall include not less than either one double or two single beds, two chairs, a chest of drawers or its equivalent, bedding and linen.

Installation includes any pole, structure, tank, storage container, pipe, or other similar installation.

Motel means a building or a group of buildings which contain not less than 10 units, used or occupied or intended to be used or occupied as temporary accommodation by tourists or transients; and within which not more than 25% of the total number of units contain rooms greater in number than a bathroom plus one room undivided by any partitions other than a screen to cover kitchen facilities.

Motel Area means the area or areas within which a motel or motels are permitted, as designated on the zoning map of the District of Kitimat.

Municipal means someone or something pertaining to the District of Kitimat;

Municipal Clerk means the Director of Corporate Administration of the District of Kitimat or such person as may be carrying out the duties of the Municipal Clerk for the District of Kitimat.

Municipal Engineer means the Municipal Engineer of the District of Kitimat or such person as may be carrying out the duties of the Municipal Engineer for the District of Kitimat.

Municipality means the District of Kitimat.

Owner in respect of real property means the registered owner of an estate in fee simple, and includes:

a. the tenant for life under a registered life estate;

b. the registered holder of the last registered agreement for sale;

c. the holder or occupier of land held in the manner mentioned in sections 409 and 410 of the Local Government Act;

d. a person who is an owner under the letters patent of a municipality, incorporated under section 10 of the Local Government Act.

Person includes any corporation, partnership, company, association, or party, and the heirs, executors, administrators or other legal representatives of such person to whom the context can apply according to law, and without limiting the generality of the word, shall be deemed to include:

a. registered owner, tenant, and occupier of real property in connection with which a violation of a District bylaw or the *Code* has been caused or allowed; and

b. every architect, designer, builder, contractor, agent, employee, or other person who violates or causes to be violated any of the provisions of a District bylaw or the *Code*.

Planning Officer means the Director of Planning Officer of the District of Kitimat or such person as may be carrying out the duties of the Director of Planning for the District of Kitimat.

Police or **Police Officer** means any member of the Royal Canadian Mounted Police detachment in the District or any Police Officer employed by the Municipality.

Public Space includes all land acquired by the Municipality by purchase, lease, dedication or otherwise and designated as a street, avenue, boulevard, walkway, park, public square, parking lot or pedestrian mall, and all similar public areas.

Restaurant means a public eating place having either tables, booths, or counter space where meals are prepared and served at regular breakfast, luncheon and dinner hours without wines, malt liquor or liquor. Restaurant includes a "drive-in" restaurant, where persons may eat in their automobiles and cafeteria.

Soliciting Funds means approaching persons on the highway or on a door-to-door basis for the purpose of obtaining from such person a contribution in monies, or standing or being on a highway for the purpose of obtaining contributions in money from other persons using the highway.

Special Bylaw means a bylaw which is temporary in character or related to a special purpose, and includes but shall not be limited to, bylaws relating to a particular election, or debenture for borrowing a certain sum of money, levying a special assessment, providing for the annexation of specific additional territory to the Municipality, the making of an individual contract or agreement and the granting of a specific licence.

Tourist or **Transient** means a person requiring temporary accommodation within the Municipality for a period not in excess of 365 days in any 400 consecutive days and whose abode is not permanently within the Municipality of Kitimat.

Treasurer means the Treasurer of the District of Kitimat.

Unit means one or more furnished habitable rooms, used or intended to be used by tourists or transients.

Vehicle means a device capable of being moved upon a highway in, upon, or by which any person or thing may be transported or drawn upon a highway, except devices moving only upon stationary rails or tracks.

Vehicle Owner means the registered owner or any person who is a purchaser of a vehicle whether by way of Conditional Sale or otherwise howsoever, and any person who has title to or possession, conditional or otherwise, of a vehicle.

2. a. Words importing the singular number of the masculine gender only shall include the plural and the feminine and the converse.

b. The word "shall" is to be construed as imperative and the word "may" as permissive.

~~c. All references in this Code to "The Revised Statutes of British Columbia", or to any specific edition thereof, shall be deemed to be references to the statutes as amended from time to time.~~

c. Headings are for convenience only and do not form part of the Code.

d. Unless otherwise stated, words and phrases defined in this Code have the same meaning throughout this Code, regardless of capitalization.

e. A reference to any enactments, regulations and bylaws includes any amendments or replacements that may be made from time to time.

f. Unless otherwise defined in this Code, any word or expression has the meaning assigned to it in relevant provincial or federal Act, Regulation, or other legislation.

g. Words directing or empowering any officer of the District to do any act or thing, or otherwise applying to the officer by the officer's official title, include that officer's successors in office, the officer's lawful deputy, and such person as the Council may by bylaw or resolution designate to act in the officer's place.

h. The requirements of any Part of this Code are supplementary to the requirements of any other Part of this Code.

Subdivision 3 - Bylaws

1.1.3. 1. Every bylaw passed by the Council, except special bylaws, shall constitute an amendment to the Code and shall be incorporated in the Code.

2. The classification of a bylaw as a Special Bylaw shall, notwithstanding the definition of a Special Bylaw in Section 1.1.2.1., be in the direction of the Council.

3. The Council may determine that any Special Bylaw of general significance to the Municipality shall constitute an amendment to the Code and be incorporated therein.

4. Every bylaw amending the Code shall specifically state the part and section or sections of the Code that the bylaw adds, alters or repeals.

Subdivision 4 - Contents

1.1.4. 1. This Code is divided into the following parts relating to the following subjects:

PART 1	GENERAL PROVISIONS
PART 2	MUNICIPAL GOVERNMENT
PART 3	TRAFFIC AND VEHICLES
PART 4	LICENCES AND PERMITS
PART 5	POLICE AND FIRE REGULATIONS
PART 6	PUBLIC UTILITIES
PART 7	PUBLIC HEALTH
PART 8	PUBLIC WORKS
PART 9	PLANNING
PART 10	FINANCE
PART 11	LEISURE SERVICES
PART 12	CIVIL DEFENCE
PART 13	BUILDING
PART 14	HAZARD LANDS

Subdivision 5 - Maintenance

1.1.5. 1. The Council shall determine by resolution the manner in which the Code is to be kept and maintained.

Subdivision 6 - Validity

1.1.6.

~~1. If any part, subdivision, or portion of a provision in the Code shall be held to be invalid, such invalidity shall not affect the remaining portions thereof, and such remaining portions shall be read and construed as being separate and distinct from the portions so held to be invalid.~~

1. If any part, subdivision, or portion of a provision in the Code is held to be invalid by a court of competent jurisdiction, the provision may be severed from the bylaw and such invalidity shall not affect the validity of the remaining portions of this bylaw.

2. Where any conflict arises within the Code, the more restrictive provision will govern.

3. The amendment of the Code shall not be deemed to be, or involve, any declaration whatsoever as to the previous state of the Code.

4. If in the Code there is a reference to a part or subdivision or subsection or to a number and the Code is subsequently renumbered or amended, then the new part or subdivision or subsection or number shall be incorporated into and take the place of such part, subdivision or subsection or number, and such part, subdivision or subsection containing such reference shall be deemed to be amended accordingly.

DISTRICT OF KITIMAT
BYLAW NO. 2085, 2026

Kitimat Municipal Code Amendment Bylaw No. 2085, 2026

A BYLAW TO AMEND PART 1, DIVISION 1 OF THE KITIMAT MUNICIPAL CODE

WHEREAS the Community Charter allows a municipality to impose bylaws;

AND WHEREAS Order in Council 480/1953 provides that the District of Kitimat may, instead of passing separate by-laws in the exercise of its various powers make, alter, and repeal a comprehensive general by-law (to be known as the "Kitimat Municipal Code") dealing with all such matters within its jurisdiction as the Council shall think fit to include therein;

AND WHEREAS Council deems it necessary to exercise this authority to amend Part 1, Division 1 of the *Kitimat Municipal Code;*

NOW THEREFORE the Council of the District of Kitimat in open meeting assembled, enacts as follows:

1. This Bylaw may be cited as "Kitimat Municipal Code Amendment Bylaw No. 2085, 2026".

2. Part 1 – General Provision, Division 1 – The Code is amended by:

   a) Amend 1.1.2.1 by
      i) deleting the definition of Leisure Services Director and replacing with:
      Director of Leisure Services means the Director of Leisure Services of the District of Kitimat or such person as may be carrying out the duties of the Director of Leisure Services for the District of Kitimat.

      ii) adding the definition:
      District means the District of Kitimat.

      iii) deleting the definition of Fire Chief and replacing with:
      Fire Chief means the Fire Chief of the District of Kitimat or such person as may be carrying out the duties of the Fire Chief for the District of Kitimat.

      iv) adding the definition:
      Municipal Clerk means the Director of Corporate Administration of the District of Kitimat or such person as may be carrying out the duties of the Municipal Clerk for the District of Kitimat.

      v) deleting the definition of "person" and replacing with:
      Person includes any corporation, partnership, company, association, or party, and the heirs, executors, administrators or other legal representatives of such person to whom the context can apply according to law, and without limiting the generality of the word, shall be deemed to include:

a. registered owner, tenant, and occupier of real property in connection with which a violation of a District bylaw or the *Code* has been caused or allowed; and
b. every architect, designer, builder, contractor, agent, employee, or other person who violates or causes to be violated any of the provisions of a District bylaw or the *Code.*

vi) deleting the definition of “planning officer” and replacing with:
Planning Officer means the Director of Planning Officer of the District of Kitimat or such person as may be carrying out the duties of the Director of Planning for the District of Kitimat.

b) Amending 1.1.2.2 by:
i) deleting:
c. All references in this Code to "The Revised Statutes of British Columbia", or to any specific edition thereof, shall be deemed to be references to the statutes as amended from time to time.

ii) adding:
c. Headings are for convenience only and do not form part of the Code.

d. Unless otherwise stated, words and phrases defined in this Code have the same meaning throughout this Code, regardless of capitalization.

e. A reference to any enactments, regulations and bylaws includes any amendments or replacements that may be made from time to time.

f. Unless otherwise defined in this Code, any word or expression has the meaning assigned to it in relevant provincial or federal Act, Regulation, or other legislation

g. Words directing or empowering any officer of the District to do any act or thing, or otherwise applying to the officer by the officer’s official title, include that officer’s successors in office, the officer’s lawful deputy, and such person as the Council may by bylaw or resolution designate to act in the officer’s place.

h. The requirements of any Part of this Code are supplementary to the requirements of any other Part of this Code.

c) Amending 1.1.4.1 by:

i) adding:
PART 14 HAZARD LANDS

d) Amending 1.1.6.1 by:

i) deleting:

1. If any part, subdivision, or portion of a provision in the Code shall be held to be invalid, such invalidity shall not affect the remaining portions thereof, and such remaining portions shall be read and construed as

being separate and distinct from the portions so held to be invalid.

and replacing with:

1. If any part, subdivision, or portion of a provision in the Code is held to be invalid by a court of competent jurisdiction, the provision may be severed from the bylaw and such invalidity shall not affect the validity of the remaining portions of this bylaw.

3. This bylaw shall take effect and be binding upon all persons as from the date of adoption.

COUNCIL REPORT

Date: April 27, 2026
File: 8.3.3
To: Warren Waycheshen, CAO - for Mayor and Council
From: Kiona Enders, Deputy CAO
Re: Municipal Enforcement Bylaw No. 2086, 2026
Applicant: n/a
Location: n/a

KITIMAT
A Marvel of Nature and Industry

Recommendation:

Action: Council consider Municipal Enforcement Bylaw No. 2086, 2026 for readings.

Recommended Motion:

THAT Municipal Enforcement Bylaw No. 2086, 2026, be given first, second and third reading.

Background:

At the March 2 and March 30, 2026, meetings Council provided direction on the Municipal Enforcement Bylaw and its fine schedules. Staff is presenting for Council consideration Municipal Enforcement Bylaw No. 2086, 2026 (Attachment A). A summary of the direction is provided on Attachment B.

Background on Bylaw Enforcement Options:

The District's main priority will be to seek compliance with our bylaws through voluntary compliance. When that is not possible, a municipality needs to consider other enforcement options. There are generally four ways in which local governments may enforce its bylaws:

1. Issuing a "municipal ticket information" (MTI) with a maximum $3,000 fine, adjudicated in Provincial Court.
2. Issuing a bylaw notice with a maximum $500 fine, offering early payment discounts, and the right to dispute through adjudication.
3. Prosecuting under the *Offence Act* for serious contraventions, involving formal legal processes with a maximum $50,000 fine.
4. Seeking an injunction in the Supreme Court of British Columbia.

Current Bylaw Enforcement Program:
Municipal Ticket Information (MTI)
Currently, the District of Kitimat utilizes the Municipal Ticket Information (MTI) system for issuing tickets related to contraventions of regulatory bylaws, with varying fine amounts.

Under the MTI system, tickets must be served in person, and any disputes over tickets can only be resolved in Provincial Court. This process requires staff to coordinate court dates, manage disputants, witnesses, evidence, and legal documents, and present cases in court.

Provincial courts are often busy, and bylaw matters are not always prioritized. The MTI system is further complicated by individuals' reluctance to provide evidence due to fear of retaliation,

frequent delays that increase costs, and the significant time commitments required from all participants, making it an impractical dispute system.

MTI do allow a maximum fine amount of $3,000 per offence (versus bylaw notice maximum of $500/offence).

Council has provided direction to continue the option of the use of an MTI and this is reflected in the proposed bylaw. Schedule B sets out the fine schedule associated with its use and reflects Council direction to allow an early payment discount of $500 on an offence.

Staff will use the MTI system as needed in bylaw enforcement.

Proposed Approach to Bylaw Enforcement:

To enhance the District of Kitimat's bylaw compliance program, staff propose implementing a Bylaw Dispute Adjudication ("BDA") System alongside the existing Municipal Ticket Information ("MTI") System.

As directed by Council the Schedule A schedule sets out the fine structure per offence, an early payment reduction of $50, and a staggered increase for late payment ($50 for offences assigned a fine of $100-$150, $100 for offences assigned a fine of $151-$300, and offences assigned a fine of $301 or more would be set at $500 late penalty (maximum penalty allowed)).

Overview of the proposed Municipal Enforcement Bylaw No. 2086, 2026:

- Part 1 is the general sections – included are definitions, identifying the bylaw enforcement officers, and the authority provided to bylaw enforcement officers.
- Part 2 is the regulations for Bylaw Notice including issuing and delivering of the bylaw notice, early payment and late payment, screening officers, and adjudication.
- Part 3 is the regulations for Municipal Ticket Information including issuing the MTI, dispute process, and early payment.
- Part 4 is the regulations for collection of outstanding fines.

Fine Structure

Specific penalties for individual bylaw contraventions are set out in the Schedules to this bylaw. A general provision notes that, unless otherwise specified, the following penalties apply: $500 for contraventions enforced by bylaw notice, $3,000 for contraventions enforced through the MTI system, and fines under the *Offence Act* ranging from a minimum of $2,000 to a maximum of $50,000 for serious contraventions.

Providing additional incentive to pay a reduced rate is likely to increase fine collection rates. The proposed Bylaw includes a provision for early payment discount of $50 if a bylaw notice penalty is paid within 14 days. The Bylaw also includes a provision for early payment discount of $500 if an MTI penalty is paid within 30 days.

Late payment fees are provided on Schedule A ($50 for offences assigned a fine of $100-$150, $100 for offences assigned a fine of $151-$300, and offences assigned a fine of $301 or more would be set at $500 late penalty (maximum penalty allowed)) for bylaw notice.

Financial Implications

Under the *Local Government Bylaw Notice Enforcement Act*, local governments are responsible for the costs of setting up and administering the BDA within their jurisdiction. There is a fee of $500.00 per day plus expenses for an adjudicator regardless the number of adjudication hearings scheduled for the day. The Act specifies that local governments may join together to administer a

BDA jointly to cover a broader geographic area more cost effectively. The Act also allows for a $25 surcharge to be applied to all tickets upheld by the adjudicator to help offset the costs associated to the process. While the District of Kitimat will be responsible for the operating costs associated with BDA, the potential cost savings from not pursuing legal proceedings in Provincial Court and the ability to share adjudication costs with other municipalities make this system economically viable.

Staff will reach out to neighbouring communities who use the Bylaw Notice system to explore this option further.

Screening Officers

The District of Kitimat has established the position of Screening Officer under the Municipal Enforcement Bylaw to review all disputed bylaw notices before adjudication, in accordance with the *Local Government Bylaw Notice Enforcement Act* and District policy.

Council will receive a separate report at a future meeting, with a screening officer policy to ensure that enforcement is fair, consistent, and proportional, providing residents and businesses an equitable opportunity to resolve disputes prior to adjudication. Additionally, a person disputing their bylaw notice will understand the conditions in which the screening officer may operate in considering the dispute.

Discussion - Adjudication

Adjudicators under the BDA system are chosen on a rotating basis from a list established by the Ministry of Attorney General. Although the adjudicator is paid by the District of Kitimat, having them selected by the province, gives transparency to the process.

At the adjudication hearing, the adjudicator hears from both the disputant and the investigating bylaw officer, considering all available evidence. The adjudicator's role is strictly to confirm or cancel the bylaw notice; they do not have the authority to reduce or waive fines, nor the jurisdiction to deal with challenges to the bylaw or other legal issues.

Unlike the criminal scale of "beyond a reasonable doubt" used in Provincial Court for MTIs, the standard of proof under the BDA system is based on a "balance of probabilities" (civil scale). This simplifies the adjudication process and provides a more accessible means of resolving disputes.

Alternative Options:

1. If Council wishes to make amendments, the following motion is offered for Council consideration:

   THAT Municipal Enforcement Bylaw No. 2086, 2026, be given first reading.

   AND THAT Municipal Enforcement Bylaw No. 2086, 2026, be amended by: (to be determined by Council)**.**

   Staff will make the amendments and bring the bylaw back for consideration of additional readings.

2. Another option as developed through discussion of Council.

Budget Implications:

Bylaw enforcement will be administered through existing operating budgets.

Attachment A to Municipal Enforcement Bylaw No. 2086, 2026

Part 1 – General Provisions
Division 12 – Municipal Bylaw Enforcement

This Bylaw is intended to provide the procedures, authorities, penalties, and enforcement mechanisms applicable to bylaw contraventions, while the substantive requirements and prohibitions are set out in the applicable bylaws and Kitimat Municipal Code provisions.

Part 1 — General

This Bylaw applies to the enforcement of all bylaws of the municipality, including bylaws consolidated within the Kitimat Municipal Code, except where a bylaw expressly provides otherwise.

1 This Bylaw shall be known as the Municipal Enforcement Bylaw.

2 Definitions In this Bylaw

2.1 In addition to Part 1, Division 1, words or phrases defined in the *Local Government Bylaw Notice Enforcement Act*, or any successor legislation have the same meaning when used in this Bylaw or its Schedules unless otherwise defined herein.

Act means the *Local Government Bylaw Notice Enforcement Act, S.B.C. 2003, c. 60.*

Animal Control Officer shall have the same meaning as in Part 5, Division 5 of the *Code*.

Building Inspector shall have the same meaning as Part 13 of the *Code*.

Bylaw Enforcement Officer means a person designated as such under this Bylaw.

Bylaw Officer means an employee of the District who is responsible for enforcing District bylaws.

Bylaw Notice has the same meaning as in the Act.

Code means the *Kitimat Municipal Code*.

Council means the Mayor and Councillors of the District of Kitimat.

District means the District of Kitimat.

Fire Chief shall have the same meeting as Part 5, Division 1 of the *Code.*

Licence Inspector shall have the same meaning as Part 4, Division 1 of the *Code*.

Municipal Clerk means the Director of Corporate Administration of the District of Kitimat or such person as may be carrying out the duties of the Municipal Clerk for the District of Kitimat;

Person means, without limiting the generality of the word, shall be deemed to include:

a) registered owner, tenant, and occupier of real property in connection with which a violation of a District bylaw or the *Code* has been caused or allowed; and
b) every architect, designer, builder, contractor, agent, employee, or other person who violates or causes to be violated any of the provisions of a District bylaw or the *Code.*

Planning Officer means the Director of Planning Officer of the District of Kitimat or such person as may be carrying out the duties of the Director of Planning for the District of Kitimat

Police Officer means any member of the Royal Canadian Mounted Police detachment in the District or any Police Officer employed by the District.

Screening Officer means a person designated and appointed as a screening officer under this Bylaw.

Site Personnel has the same meeting as Part 7, Division 2 of the *Code*.

Ticket, **Municipal Ticket** or **MTI** means a municipal ticket issued under section 264 ticket offences of the *Community Charter*.

3 Contravention

3.1 A Person who:

a) contravenes a provision of a bylaw or the Code;
b) suffers or permits any act or thing to be done in contravention or violation of a bylaw or the Code;
c) fails or neglects to do anything required by a bylaw or the Code;

commits a bylaw contravention and is subject to enforcement in accordance with this Bylaw.

4 Continuing offence

4.1 If an offence or bylaw contravention continues for more than one day, each day constitutes a separate offence or bylaw contravention.

5 Enforcement Powers

5.1 Subject to section 260 (5) of the *Community Charter*, and without limiting the available remedies, the methods through which the District may deal with a bylaw contravention include the following:

a) proceeding by Bylaw Notice under the *Local Government Bylaw Notice Enforcement Act*;
b) proceeding by Municipal Ticket under *Division 3 [Ticketing for Bylaw Offences]* of *Part 8 [Bylaw Enforcement and Related Matters]* of the *Community Charter*;
c) prosecuting the offence in accordance with the *Offence Act*, R.S.B.C. 1996, c. 338;

d) bringing a proceeding in Supreme Court in accordance with *Division 4 [Enforcement by Civil Proceedings]* of *Part 8 [Bylaw Enforcement and Related Matters]* of the *Community Charter*.

6 General penalty

6.1 Unless a specific penalty is established in a Schedule to this Bylaw or expressly provided in another bylaw or the *Code*, the following penalties apply in respect of every bylaw contravention:

a) $500 for a bylaw contravention enforced by Bylaw Notice;
b) $3 000 for a bylaw contravention enforced by Municipal Ticket;
c) a maximum fine of $50 000 for a bylaw contravention prosecuted under the *Offence Act*;
d) a minimum fine of $2 000 for a bylaw contravention prosecuted under the *Offence Act*.

6.2 Despite section 6, where a bylaw contravention and applicable penalty are specifically identified in **Schedule "A"** or **Schedule "B"** to this Bylaw, the penalty set out in the applicable Schedule applies.

6.3 A Person who contravenes, violates or fails to comply with any provision of a bylaw or the Code or who suffers or permits any act or thing to be done in contravention or violation of a bylaw or the Code, or who fails to do anything required by a bylaw or the Code, commits an offence and shall be liable upon convention to the cost of prosecution, and any other penalty or order imposed pursuant to the *Community Charter* or *Offence Act.*

6.4 The following Schedules are attached to and form part of this Bylaw:

a) Schedule "A" – Designated Bylaw Contraventions and Penalties (Bylaw Notices);
b) Schedule "B" – Designated Bylaw Contraventions and Penalties (Municipal Tickets).

7 Bylaw Enforcement Officers

7.1 Persons designated as Bylaw Enforcement Officers for the purposes of Bylaw and the Code are set in **Schedule "C"** – Bylaw Enforcement Officers. Persons appointed as Bylaw Enforcement Officers may be appointed as Screening Officers.

7.2 The following Schedule is attached to and forms part of this Bylaw:

a) Schedule "C" – Bylaw Enforcement Officers

8 Duty to provide name and address

8.1 When requested by a Bylaw Enforcement Officer performing duties or exercising powers under a bylaw or the Code, a Person must state correctly the Person's name and address.

9 Authority to enter on or into property

9.1 A Bylaw Enforcement Officer, under the authority of *Community Charter*, Section 16, may enter property for purposes including:

a) inspecting compliance with regulations, prohibitions, and requirements imposed by the Council or authorized persons under a bylaw; or
b) taking action under *Community Charter* Section 17 [*municipal action at defaulter's expense]*.

10 Entry warrants

10.1 The District of Kitimat may request a warrant from a justice to authorize a designated person to enter a property and perform necessary inspections or actions in alignment with the District of Kitimat's powers, duties, or functions under the *Community Charter*, Section 275.

Part 2 — Bylaw Notice Proceedings

11 Designation of bylaw contraventions dealt with by bylaw notice

11.1 The *Local Government Bylaw Notice Enforcement Act* provides that a local government may deal with the contravention of a bylaw with the issuance of a Bylaw Notice.

12 Issuance of bylaw notice

12.1 If a bylaw contravention may be dealt with by Bylaw Notice, a Bylaw Enforcement Officer may complete and issue a Bylaw Notice to a Person against whom the contravention is alleged.

12.2 A Bylaw Notice may be completed, issued and stored
a) in electronic format by electronic means, or
b) by another means that allows the Bylaw Notice to be reproduced in intelligible form.

12.3 A Bylaw Notice must contain all the following information:

a) particulars of the alleged contravention of the bylaw in sufficient detail that a recipient of the Bylaw Notice would be able to identify the bylaw and the contravention alleged;
b) the amount of the penalty that the recipient is liable to pay in respect of the contravention,
c) the amount of a discount for early payment of the penalty,
d) the amount of a surcharge for late payment of the penalty and the consequences of failing to respond to the Bylaw Notice;
e) methods of paying the penalty;
f) how to dispute the allegation in the Bylaw Notice; and
g) information required under the *Bylaw Notice Enforcement Regulation*.

13 Delivery of Bylaw Notice

13.1 A Bylaw Notice may be delivered:

a) in person to the named Person;
b) by mailing a copy of the Bylaw Notice;
c) if the Bylaw Notice is in respect of a contravention involving a vehicle,
   I. to the address for each registered owner of the vehicle involved as contained in the records of the government, or a person responsible for maintaining records of vehicle registrations in British Columbia or in another province of Canada; or
   II. by leaving the Bylaw Notice on the vehicle involved;
d) to the actual or last known address of the named Person, or if the named Person is a corporation or a business, to the registered office or head office as contained in the records of the Registrar of Companies;
e) if the named Person is a corporation or a business, by delivering the Bylaw Notice to a director, manager or other executive officer of the corporation or business or to a branch of it;
f) if the named Person is an extra provincial company as defined in the *Business Corporations Act*, by delivering the Bylaw Notice to the attorney for the extra provincial company;
g) if the Bylaw Notice is in respect of a particular parcel of real property or an improvement on a particular parcel of real property, by delivering the Bylaw Notice to a Person who appears to be at least 16 years old at that parcel, or
h) in a manner permitted under the *Local Government Bylaw Notice Enforcement Act*.

13.2 A Person who receives a Bylaw Notice must, within fourteen (14) days of the date on which the person received the Bylaw Notice may:

a) pay the penalty, or
b) request dispute adjudication:
   1. by filling in the appropriate portion of the Bylaw Notice indicating either a payment or a dispute and delivering it, either in person during regular office hours, or by other means to the District of Kitimat municipal office, or
   2. by emailing to administration@kitimat.ca the following information: the name and address of the Person who appears on the Bylaw Notice; contact information for the Person's representative, if applicable; date of issue of the Bylaw Notice, and Bylaw Notice number.

14 Early payment discount - Bylaw Notices

14.1 The amount of the penalty payable for a bylaw contravention dealt with by Bylaw Notice is discounted as per Schedule A if the penalty is paid in full within fourteen (14) days on which the Person received the Bylaw Notice.

15 Late payment surcharge - Bylaw Notices

15.1 The amount of the penalty payable for a bylaw contravention dealt with by Bylaw Notice is as per Schedule A if not paid within thirty (30) days following the date the penalty becomes due and payable.

15.2 A Person may pay the indicated penalty after fourteen (14) days on which the Person received the Bylaw Notice, subject to the applicable surcharge for late payment, but no Person may dispute the Bylaw Notice after 14 days of receiving the Bylaw Notice.

16 Screening Officer

16.1 The position of Screening Officer is hereby established.

16.2 The Municipal Clerk may appoint any person within the class of persons designated under section 7 – Bylaw Enforcement Officers as a Screening Officer.

16.3 The Deputy CAO for the District of Kitimat is appointed as a Screening Officer.

17 Powers, Duties and Functions of Screening Officers

17.1 The powers, duties and functions of Screening Officers are set out in *the Local Government Bylaw Notice Enforcement Act*, and include the following:

a) When requested by the Person whom a contravention is alleged, the Screening Officer shall disclose to that Person or representative, all relevant information with respect to the contravention that includes the nature of the contravention, the bylaw contravened, the penalty for the contravention and fee or fees in relation the Bylaw Notice Enforcement process.

b) Communicate with any or all of the following for the purposes of performing their function as a Screening Officer under the Bylaw or the *Local Government Bylaw Notice Enforcement Act*:

i. The Person against whom the contravention is alleged or their representative;

ii. The Bylaw Enforcement Officer issuing the Bylaw Notice;

iii. The complainant or their representative;

iv. The District of Kitimat staff and records regarding the disputant's history of Bylaw compliance.

c) Cancel Bylaw Notices in accordance with the Act or District of Kitimat policies.

d) A Screening Officer may not screen a Bylaw Notice which they have issued.

18 Dispute Adjudication

18.1 A dispute adjudication system for the District of Kitimat is established for the purposes of Part 3 Bylaw Notice Dispute Adjudication of the *Local Government Bylaw Notice Enforcement Act* to hear and determine disputes in respect of whether the contravention alleged in a Bylaw Notice occurred as alleged.

18.2 An adjudicator for a dispute must be selected in accordance with section 15 dispute adjudicators of the *Local Government Bylaw Notice Enforcement Act*.

18.3 A fee of $25 is payable by a person who is unsuccessful in a dispute adjudication in relation to a Bylaw Notice.

Part 3 — Municipal Tickets for bylaw offences

19 Designation of ticketable bylaw offences

19.1 In accordance with section 264(1)(a) of the *Community Charter*, a Bylaw Enforcement Officer is authorized to enforce any bylaw by laying an information by means of issuing a Municipal Ticket for its contravention.

20 Issuance of municipal ticket

20.1 If a bylaw contravention may be dealt with by laying an information by means of a Municipal Ticket, a Bylaw Enforcement Officer must indicate on the Ticket the offence charged and must sign the Ticket.

20.2 The Bylaw Enforcement Officer must serve the Ticket on the Person alleged to have contravened the bylaw in accordance with section 266 [*laying information and serving ticket*] of the *Community Charter*.

20.3 A Person on whom a ticket is served must, within fourteen (14) days after the date of service:

a) pay the fine indicated on the Ticket to the District of Kitimat in accordance with the instructions indicated on the Ticket, or

b) dispute the allegation contained in the Ticket by
   (i) delivering or having delivered to the address set out in the Ticket a written notice of dispute, or
   (ii) appearing in person at the location set out in the Ticket to give notice of dispute.

20.4 A notice of dispute must contain an address for the Person disputing the allegation and sufficient information to identify the Ticket and the alleged contravention being disputed.

21 Dispute of Ticket

21.1 If notice of dispute is given on receipt of Municipal Ticket, the Ticket will be referred to the Provincial Court for a hearing.

21.2 Notwithstanding 21.1, a Municipal Ticket may be cancelled in accordance with the *Community Charter* and District policies.

22 Failure to respond to Ticket

22.1 A Person served with a Municipal Ticket is deemed to have not disputed the charge if:

a) the Person does not pay the fine or dispute the charge, and
b) at least fourteen (14) days have elapsed since the Ticket was served on the Person.

23 Early payment discount - Municipal Tickets

23.1 The amount of the penalty payable in relation to an offence dealt by Municipal Ticket is discounted in accordance with Schedule B if the penalty is paid in full by the 30th day from the date on which the Ticket is served.

Part 4 — Collection of fines

24 Collection

24.1 The District of Kitimat may take steps to recover an amount due and payable in respect of a bylaw contravention. This may involve registering judgments on real property, recovery through Property Taxes, or referring the matter to a collection agency.

COUNCIL REPORT

Date: April 22, 2026

File: 1.1.3.0

To: Warren Waycheshen, CAO - for Mayor and Council

From: Tracy Tavares, Director of Corporate Administration

Re: 2026 General Local Election Kitimat Municipal Code Update

Applicant: Not Applicable

Location: Not Applicable

Recommendation:

Action: Council provide direction on amendments to Part 1, Division 5 – Elections, of the Kitimat Municipal Code (KMC) based on discussion.

Recommended Motion:

Recommendations noted throughout the report.

Background:

The 2026 General Local Elections will be held across British Columbia on Saturday, October 17, 2026, in accordance with provincial legislation governing local government elections.

In the District of Kitimat, voters will elect one Mayor and six Councillors who will serve a four-year term beginning in November 2026.

General local elections are administered by local governments under the authority of *the Local Government Act (LGA)* and the *Community Charter,* with oversight and regulatory guidance provided by Elections BC. The District of Kitimat is responsible for planning and delivering almost all aspects of the local election, including bylaw updates, appointment of election officials, establishment of voting opportunities, and public information and engagement activities. The Kitimat Municipal Code (KMC), Part 1, Division 5, is the election bylaw and sets out the processes for the conduct of an election.

Elections BC is responsible for advertising, campaign financing, registration of elector organizations, and third-party advertising sponsors.

Planning for the 2026 election must begin early to ensure legal requirements are met and that the election is accessible, well-run, and cost-effective. This work includes reviewing election bylaws, procedures, setting timelines, confirming voting locations and voting options, hiring and training election Staff, and planning the election budget. In order to be in effect for the 2026 General Local Election, any bylaw changes must be adopted at least 56 days before the first day of the nomination period of the General Local Election (July 6, 2026)

Corporate Administration conducted a review of the District's Kitimat Municipal Code Part 1, Division 5, Elections bylaw, the following options are presented for Council consideration.

Subdivision 7 – Recount Procedure

Currently, the KMC allows the Chief Election Officer to conduct a recount of votes for any position if, in their sole discretion, it is necessary to determine the results.

If there is a tie in the number of valid votes for the position of Mayor or for the position of Councillor, the Election Officer (CEO) and Deputy Chief Election Officer (DCEO) will conduct an informal recount. If the vote remains tied after the recount, the CEO would apply to the Provincial Court for a judicial recount to be conducted.

The LGA allows for two methods to resolve a tie vote after a judicial recount. One option is to conduct a runoff election involving the unsuccessful candidates (not just the tied candidates). The other option is to break the tie by random lot, which means drawing of names of the candidates who have tied votes for the position.

Prior to 2022, the District's local election bylaw resolved a tie vote after judicial recount by lot. In 2022, Council directed staff to update the bylaw to add the requirement for a runoff election in the event of a tie vote after judicial recount.

A run-off election involves holding a full election for all the unsuccessful candidates and follows the same procedures for election advertising, campaign timelines, public notice, advance voting, special voting and general voting day. Conducting run-off election requires significant staff time and incurs costs similar to those of a general local election, including legislated advertising, election workers and facility rentals. A runoff election can also extend the timeline of determining final results at a minimum 50-day delay which may affect the start of orientating the newly nominated elected officials to their roles.

Determination of election results by lot, in the event of a tie vote following a judicial recount, is carried out by writing each tied candidate's name on identical pieces of paper. The papers are folded in the same manner so that the names are not visible, then placed into a container and mixed thoroughly to ensure a random selection. Under the direction of the court, a person who is not a candidate or candidate representative draws one of the papers. The candidate whose name is drawn is declared elected. This process takes place at the conclusion of the judicial recount and is overseen by the court to ensure fairness and transparency.

Determination of tie vote by lot method has several advantages, including timely resolution, as results are finalized immediately without the delays of a runoff election. It is cost-effective, avoiding the significant expenses of staffing, advertising, and facilities, and is administratively efficient, requiring minimal staff time and resources. The process is also legislatively supported under the *Local Government Act* and ensures fairness since the random draw is conducted under court supervision and treats tied candidates equally.

Staff recommend that the Kitimat Municipal Code, Part 1 Division 5, Subdivision 7 – Recount Procedure, be amended to allow a tie vote after a judicial recount to be resolved by lot, in accordance with section 151 of the *Local Government Act:*

THAT Part 1, Division 5, Subdivision 7 – Recount Procedure of the Kitimat Municipal Code be amended to "in the event of a tie vote after judicial recount, the tie vote will be resolved by conducting a lot in accordance with section 151 of the *Local Government Act.*

Although staff does not have any further recommendations, there are other options that Council may consider including in the election bylaw amendment.

1. Number of Nominators

The LGA requires a candidate be nominated by at least two (2) qualified nominators of the municipality. It also states that a local government may by bylaw set the minimum number of qualified nominators for a municipality with a population of 5000 or more to either ten (10) or twenty-five (25). The District bylaw currently reflects the requirement of two (2) nominators.

No action is required if Council wishes to keep the minimum number of nominators at two (2).

2. Nomination Deposits

Section 88 of the LGA states that the local governments may require that a nomination for office be accompanied by a nomination deposit. The amount required may vary for the different offices (Mayor or Councillor) but cannot be more than $100. This amount would be held by the District and returned to the candidates after the declaration of election results.

The reasoning for nomination deposits is to help ensure that candidates are serious about running, discourages frivolous nominations, and encourages compliance with election procedures. Typically, the deposit is refundable if the candidate is validly nominated and participates in the election.

Currently, the District does not require a financial deposit from a candidate.

No further action is required if Council does not wish to require a financial deposit from a candidate.

3. Registration of Electors

Local governments may use one of the three approaches to register electors for an election:

1. Voting day Registration Only – electors register at the time they vote
2. Register of Electors – the municipality conducts a pre-registration process and maintains its own voters list.
3. Provincial Voters List – the municipality uses the most current provincial list of voters.

When using either a Register of Electors or the Provincial Voters List, voting day registration is still required to ensure the eligible electors not appearing on those lists are able to register and vote.

The District of Kitimat currently uses the Provincial Voters List in accordance with Section 76 of the *LGA*. Electors may also register at the time of voting at any voting opportunity. This approach functioned effectively during the 2022 General Local Election.

Because the District relied on the Provincial Voters List in past elections, it has not maintained its own Register of Electors. Establishing and maintaining a municipal register would require significant administrative effort to collect, verify and compile a complete list of eligible electors.

Staff are not recommending any changes to the current process and no action is required if Council wishes to continue using the Provincial Voters List

4. Public Access to nomination documents

The *Local Government Act* requires the District make nomination documents available for public inspection. Local governments, through bylaw, may provide additional methods of public access to all or part of the nomination package, including publication on a municipal website.

The District's bylaw authorizes public access to nomination documents both on the District of Kitimat website and in person at the District Office during regular business hours.

Staff are not recommending any changes to the current process and no action is required if Council wishes to continue with the District of Kitimat's current process.

5. Candidate Names on the Ballot

In accordance with the *Local Government Act,* candidate names must appear on the ballot exactly as they are provided on the nomination documents, including any usual name the candidate has chosen to use for election purposes. Legislation requires that names be listed in alphabetical order by surname however Council may by bylaw authorize that the order of names on the ballot be determined by lot.

The District of Kitimat currently follows the requirements of the *Local Government Act*, with candidate names listed on the ballot in alphabetical order by surname.

Staff are not recommending any changes to this practice and no action is required if Council wishes to continue with the current process.

6. Scrutineers

The *Local Government Act* permits each candidate to have one scrutineer present for every ballot box in use at a voting location. By bylaw, the local government may permit more than on scrutineer for each candidate to be present for each ballot box in use at a voting place while voting proceedings are being conducted.

In the past, the District has operated with a single ballot box per location, exchanging full boxes for empty ones as needed. As a result, only one scrutineer per candidate may be present at a voting location at any given time.

Staff are not recommending any changes to the current practice and no action is required if Council wishes to continue with the current process..

7. Mail Ballots

The *Local Government Act* was amended in June 2021 to provide greater flexibility for electors who wish to vote by mail ballot. No amendments were required to be made to the Kitimat Municipal Code to reflect these changes.

If Council wishes to continue offering mail ballot voting for elections, no further action is necessary.

8. Election Signs

Part 9, Division 3 of the Kitimat Municipal Code outlines the requirements for election signage within the District. The code addresses the placement, size, fees and timing of election signs, including when signs may be erected and when they must be removed following an election.

Staff have found that during the 2022 General Local Election, these provisions provided clear, and enforceable direction.

Staff are not recommending any changes to the current practice and no action is required if Council wishes to continue with the current process.

9. Advance Voting Opportunities

Two advanced voting opportunities must be held. One is mandated through legislation for the 10th day prior (October 7, 2026) to general voting day with the other established by local bylaw. The District of Kitimat's second advanced voting opportunity is scheduled by bylaw for the 3rd day (October 14, 2026) prior to general voting day. Offering two advanced voting days is a long-standing and common practice.

Staff are not recommending any changes to the current practice and no action is required if Council wishes to continue with the current process.

10. Special Voting Opportunity

A local government may be bylaw establish a special voting opportunity. Special voting opportunities are usually offered to Kitimat General Hospital and Delta Place on a date and time convenient to both the facility and election worker availability. Special voting is currently provided to eligible electors admitted to, residing, visiting or working at the location during the special voting opportunity.

Staff are not recommending any changes to the current practice and no action is required if Council wishes to continue with the current process.

Alternative Options:

1. If there are no amendments to the current election process the following motion is offered for Council consideration:

   THAT the 2026 General Local Election be conducted in accordance with Part 1, Division 5 of the *Kitimat Municipal Code*.

2. Another option as developed through discussion of Council.

Budget Implications:

The 2026 General Local Election is considered in the 2026 budget.

COUNCIL REPORT

Date: April 21, 2026

File: 5.9

To: Warren Waycheshen, CAO - for Mayor and Council

From: Walsham Tenshak, Director of Economic Development

Re: Communications Policy Amendment
Applicant: N/A
Location: N/A

Recommendation:

Action: That Council consider the District's Communications Policy amendment proposed and provide direction.

Recommended Motion:

THAT the Communications Policy amendment be approved as presented;

AND THAT Staff be delegated to make future modifications to the Communications Procedure, Language, and Brand Guide when operationally necessary.

Background:

At the November 3, 2025, meeting, Council adopted a revised Communications Policy, C-34.

Update to the Communication Policy was driven by the need to make a distinction between a high-level policy document and a more detailed procedures document as recommended through the Communications Audit completed in 2025. The simplified policy approved removed less policy-focused details for inclusion in a complementary communications procedure that staff can refer to for the organisation's communications best practices.

Staff on recent review of the policy realised that an amendment to the Land Acknowledgment section is necessary to ensure that language for an acknowledgment is not modified without direction from Council. Staff is presenting the Communications Policy, C-34 (Attachment A) for amendment. The Communication Procedure, Language and Brand Guide is attached to provide context for how these changes will reflect in both documents (Attachment B). If Council wishes to consider any changes to the current land acknowledgement, Staff can propose motions based on Council discussion.

Included in the Communication Procedure, Language and Brand Guide are:

- Procedural elements under each section of the repealed Communications Policy including why we use a land acknowledgement, instructions on how to modify District branding, details on social media channels in use and the process for issuing emergency notices.
- Language Style Guide and Branding Guidelines taken from the appendix of the original policy.

The attached document is effectively in three parts:

- Detailed procedures to align with contents of the communications policy.
- A Language and Style guide for Kitimat.
- The District of Kitimat's existing brand guidelines.

Procedural elements of the policy are subject to change with changes in operations. Staff is also seeking approval from Council to modify this document internally as operationally needed. Modifications are not anticipated to be a frequent necessity and will be done to ensure alignment with the overall purpose and direction set out in the Communications Policy approved by Council.

Alternative Options:

1. If Council wishes to make changes to the Communications Policy presented, the following motion is offered for consideration.

   THAT the Communications Policy be approved with the following changes (determined by Council discussion)**;**

   AND THAT Staff be delegated to make future modifications to the Communications Procedure when operationally necessary.

2. If Council does not want to delegate Staff the authority for editing the Communications Procedure, Language and Brand Guide, the following motion is offered for consideration.

   THAT the Communications Procedure, Language, and Brand Guide be approved as presented;

   AND THAT Staff refer future modifications of the Communications Procedure, Language and Brand Guide to Council for approval when operationally necessary.

3. Another option as developed through discussion of Council.

Budget Implications:

Communications

POLICY TITLE	Communications Policy		
Replaces (if applicable)	N/A	**Policy Number**	C-34
Authority	Legislative (Council)	**Department Responsible** (if applicable)	Economic Development & Communications
Effective Date	November 2025		
Last Review Date	June 2023	**Next Review Date**	November 2028
Supporting Documents	• **Communication Procedure, Language and Brand Guide**		

STATEMENT

This Communications Policy is created to ensure the purpose and general process of communications by the District of Kitimat is effectively explained and outlined. This policy explains the roles in implementing the communications policy and the channels and means the District of Kitimat uses to reach the public.

PURPOSE

Communications from the District of Kitimat is to serve the following objectives:

- Ensure residents are well informed of the activities and goals of the District of Kitimat.
- Guide residents to the appropriate engagement channels which allow them to contribute meaningfully to community planning and decision-making.
- Raise the profile of the District of Kitimat within B.C. and elsewhere to create a community that is desirable to prospective visitors, residents and investors.

SCOPE

This policy applies to District of Kitimat staff and Mayor and Council.

PROCEDURE

PLAIN LANGUAGE, ACCESSIBILITY, AND INCLUSIVE COMMUNICATIONS

The District of Kitimat will strive to use plain language in all documentation and will make all efforts to address communication barriers that stand between the District of Kitimat and its audiences.

Guidance for accessible communications is available in the Communication Procedure, Language and Brand Guide.

TIMELINESS

The District of Kitimat and its employees will acknowledge inquiries within two business days.

INDIGENOUS LAND ACKNOWLEDGEMENT

The Indigenous Land Acknowledgement will be expressed at events and in publications as noted below.

Wording

"*We/I respectfully acknowledge that we are gathered on the unceded territory of the Haisla Nation.*"

When to say it

The District of Kitimat includes a land acknowledgement at the introductions of:

- Any Regular or Special Meeting of Council, including inaugural meetings.
- Any special meeting or gathering organized by the District, where the general public or external representatives are invited to attend.
- An opportunity where the Mayor or a representative of the District of Kitimat has been invited to provide remarks or a speech within the District of Kitimat or within Haisla Territory

A written land acknowledgement will also appear within any District Plans and Reports ~~the District of Kitimat Annual Report and within any Master or Neighbourhood Plan~~, and in the e-mail signature of District employees.

E-MAIL SIGNATURES

All persons with an @kitimat.ca e-mail address must include the District of Kitimat e-mail signature when writing a message. The signature must appear at minimum on the initial e-mail message to a recipient.

The template for the e-mail signature is available in the Communication Procedure, Language and Brand Guide.

MEDIA RELATIONS

The Business and Communications Manager will serve as the primary contact for media inquiries and may provide general information relating to District programs and services to news media. The Business and Communications will coordinate these inquires and may refer requests to specific members of staff if it is determined that another member of staff will be better suited to provide the information.

The general spokesperson for the District of Kitimat is the Mayor. The Mayor will speak to District of Kitimat priorities, goals, and decisions of the Council. The Mayor may delegate this responsibility to a member of Council or staff.

COUNCIL COMMUNICATIONS

Council communications includes:

- Posting of Council meeting agendas and minutes
- Council meeting summaries
- Council video streams and on-demand recordings

Corporate Administration is responsible for preparation and dissemination of Council communications.

DISTRICT BRANDING

The District has established Brand Guidelines which explains the use of the District's logos, colour schemes, and fonts. This includes its use in places such as letterhead, presentations and advertisements.

All District materials must follow these guidelines to ensure proper representation of the District of Kitimat through communications.

The District will grant permission for use of its branding for sponsorship, partnerships and other non-profit uses. Requests to use the District's branding can be made to the Economic Development & Communications Department.

Exceptions to the branding guidelines may be acceptable under certain circumstances with approval from the Business and Communications Manager, Director of Economic Development or Chief Administrative Officer.

Refer to the Communication Procedure, Language and Brand Guide for details.

WEBSITE (KITIMAT.CA)

The District will operate and manage Kitimat.ca as the home for all information relevant to residents of the community, and for inquiries about the community or local government.

The website should be considered by residents to be the authoritative source of information for anything relating to District services. Information shared on other platforms, such as social media, should link back to the District's website whenever possible.

The Economic Development & Communications Department generally oversees the website with coordination of all departments for content submissions.

SOCIAL MEDIA

The District of Kitimat will manage social media pages to support its communications to residents.

All content published on District of Kitimat's social media sites is subject to the *Freedom of Information and Protection of Privacy Act* and therefore content must be managed, stored and retrieved in a manner that complies with the Act.

Guidelines and expectations for public participation on our social media pages will be shared on those platforms.

COMMUNITY NOTICES AND EMERGENCY ALERTS

Community Notices are communications which relate to a temporary change in how residents use District of Kitimat resources, infrastructure, or facilities. This can include road closures and water disruptions. **Emergency Alerts** are official notifications issued to warn residents of immediate threats to health, safety or property.

Community Notices and Emergency Alerts are shared on:

- Kitimat.ca.
- District of Kitimat's Facebook page.
- Voyent Alert service, if necessary.
- Other official District channels or pages if deemed necessary.

Refer to the Communication Procedure, Language and Brand Guide for more details.

NEWSLETTER

The District will provide a newsletter for residents to provide highlights of District activities for the benefit of persons who might otherwise not rely on digital communications.

KEEPING THIS POLICY UP TO DATE

This policy will be reviewed every three years, or sooner if required by legislative changes, to make sure it reflects the community's needs and the District's communication goals. The Economic Development & Communications Department will lead the review process in consultation with the Chief Administrative Officer (CAO) and other relevant departments.

Any recommended amendments will be presented to Council for approval.

	Communication Procedure, Language and Brand Guide		
Replaces (if applicable)			
Authority	Administrative (CAO)	**Department Responsible** (if applicable)	Economic Development and Communications
Effective Date			
Last Review Date	April, 2026	**Next Review Date**	April, 2028
Supporting Documents	**Communications Policy C-34** **Public Notice Advertising Bylaw No. 2055, 2024**		

STATEMENT

These procedures provide guidance that will help provide effective and uniform communications to external audiences by the District of Kitimat.

PURPOSE

Communications from the District of Kitimat is to serve the following objectives:

- Ensure residents are well informed of the activities and goals of the District of Kitimat.
- Guide residents to the avenues of engagement which allow them to have their voice in the direction of the community.
- Raise the profile of the District of Kitimat within B.C. and elsewhere to create a community that is desirable to prospective residents and investors.

TIMELINESS

The District of Kitimat and its employees will respond to questions directly asked through formal communications channels in a timely manner. These channels are:

• Telephone calls to District phone numbers
• Mail and E-mails to District addresses
• In-person visits at District of Kitimat offices and facilities
• Private messages sent to official District of Kitimat social media pages

An acknowledgement of the receipt of any inquiry should be provided within four (4) business days.

INDIGENOUS LAND ACKNOWLEDGEMENT

The Indigenous Land Acknowledgement will be expressed at events and in publications as noted in the Communications Policy.

~~**Wording**~~

~~"*We/I respectfully acknowledge that we are gathered on the unceded territory of the Haisla Nation.*"~~

~~**When to say it**~~
~~The above land acknowledgement will be provided at the introductions of:~~

- ~~Any Regular or Special Meeting of Council including inaugural meetings, Committee of the Whole, and District Committee or Commission meetings,~~
- ~~Any special meeting or gathering organized by the District, where the general public or external representatives are invited to attend.~~
- ~~An opportunity where the Mayor or a representative of the District of Kitimat has been invited to provide remarks or a speech within the District of Kitimat or within Haisla Territory.~~

~~A written land acknowledgement will also appear within any District Plans and Reports, and in the e-mail signature of District employees.~~

Why do we use it
A land acknowledgement is one way, of many, that the District can continually show its respect and recognition to the Haisla Nation and to honour their ongoing connection to this land.

The District understands that the harmful policies of the past against Indigenous Peoples are still part of the living memory of the Haisla Nation and these acknowledgements are a means to show in good faith our desire to walk the path of Truth and Reconciliation.

E-MAIL SIGNATURES

To effectively mark e-mails as from District employees, all persons with an @kitimat.ca e-mail address must include an e-mail signature when writing a message. The signature must appear at minimum on the initial e-mail message to a recipient. The District of Kitimat e-mail signature templates are provided below.

Long signature:

FirstName LastName (optional preferred pronoun)
Job Title
District of Kitimat
Phone: 250.632.89XX ext. XXX
Optional line for work cell number

We respectfully acknowledge that we live and work within the unceded territory of the Haisla Nation

Short signature:

FirstName LastName (optional preferred pronoun)
Job Title
District of Kitimat
Phone: 250.632.89XX ext. XXX
Optional line for work cell number

We respectfully acknowledge that we live and work within the unceded territory of the Haisla Nation

The **Long signature** should be used for a new message and the **Short signature** for any replies to an ongoing conversation. The email signature template should be used as provided and cannot be modified without approval from the CAO or the department Director.

MEDIA RELATIONS

Media relations will function as outlined in the Communications Policy.

When District staff speaks with the media, their function is to provide information relating to the implementation of a program, service or Council directive; effectively answering the "Who, What, When, and Where" questions, but typically not "Why".

Any District employee who receives a request to speak to news media in their capacity as an employee, must refer the inquiry to the Business & Communications Manager who will determine a response.

BRANDING

The District has established Brand Guidelines which explains the use of the District's logos, colour schemes, and fonts.

All District materials must follow these guidelines to ensure the proper representation of the District of Kitimat through communications. District of Kitimat branding must only appear on official documents and materials of the District of Kitimat. Using District branding for personal use is not authorized.

The Brand Guidelines are attached in Appendix A.

Video Conferences and Meetings

Virtual background images are available for use by Staff who join video conferences or meetings and would like to use them. These images incorporate the District of Kitimat logo along with District images and colours. E-mail edo@kitimat.ca to receive them.

Presentations

A PowerPoint template is available for internal or external slide presentations. The template includes the District branding and colour scheme.

District logo and its placement
The District of Kitimat logo has two designs; one with the snowflake and wordmark, and another with the same with the added detail of the Kitimat slogan, “A Marvel of Nature and Industry”.

The choice of which version to use depends on the context and is up to the designer of the communications, but the corporate logo should be placed in a prominent position.

On District of Kitimat materials, our brand guidelines note that our logo should appear in-tandem – or side by side – with associated District of Kitimat logos.

Placement of the District logo is generally as follows:

Lower righthand area of printed materials. When placed with an associated logo (e.g. Kitimat Leisure Services), then the District logo shall appear to the left of other logos and will be the same or greater in size than the associated logo.

Review of public-facing communications
All departments should consult with the Economic Development and Communications Department to ensure proper brand guidelines are followed before publishing public-facing communications.

External communications includes:
- Poster templates.
- Signs.
- Social media graphic templates.
- Special pages or accounts of District of Kitimat services. (e.g. Kitimat Bear Aware, Kitimat Firesmart, etc.)

Questions relating to the Branding Guidelines can be referred to the Business & Communications Manager.

KITIMAT.CA – OFFICIAL WEBSITE

The website should be considered by residents to be the authoritative source of information for anything relating to District services. Information shared on other platforms, such as social media, should link back to the District’s website whenever possible.

The Economic Development & Communications Department generally oversees the website with coordination of all departments for content submissions.

SOCIAL MEDIA

The District of Kitimat manages official communications pages on third-party services, notably social media services due to their popularity and ease of accessibility.

The District has pages on the following services, but may add others or remove itself from these services as is considered appropriate:

Facebook | Effective to reach local audiences with notices and information about District services, or other resident outreach

There is currently both a corporate District of Kitimat Facebook page and a Kitimat Leisure Services Facebook page, as well as a limited number of program-specific pages including FireSmart and WayLessWaste.

Instagram | Popular social media service for sharing images of the community

LinkedIn | Generally used to share job postings or information promoting the District's corporate culture

YouTube | Video hosting platform for District productions

Vimeo | Another video-hosting platform, used for hosting Kitimat Council recordings

All content published on District of Kitimat's social media sites is subject to the Freedom of Information and Protection of Privacy Act and therefore content must be able to be managed, stored and retrieved to comply with the Act.

The most appropriate use of District of Kitimat social media tools falls into three categories:

• As channels for disseminating important information to residents in a timely manner (e.g. emergency notifications and other notices to the public).

• As marketing/promotional channels which increase the District's ability to reach the widest possible audience.

• As a tool to meet the District's legislative requirements around public notice processes.

Content posted to the District of Kitimat's social media sites should, whenever possible, also be made available on the municipal website. Ideally, social media postings will link to more detailed information on the website to encourage the public to visit the website on a regular basis.

The Economic Development and Communications Department will craft communications and social media content for the corporate District of Kitimat social media pages that are aligned with the department's established corporate voice for the organization.

In the event that erroneous information is disseminated to the public via social media, a correction shall be posted using the same sites as quickly as possible.

Creation of any social media site for District purposes must be approved by the CAO or Economic Development and Communications Department, and in alignment with the IT Manager to minimize cyber security risk.

Posting guidelines:

Content, comments or links containing any of the following will not be allowed on District social media sites:

- Slanderous or defamatory remarks, obscene language or sexual content;
- Content that promotes, fosters, or perpetuates discrimination of an individual's human right including, but not limited to, on the basis of race, creed, color, age, religion, gender, marital status, status with regard to public assistance, national origin, physical or mental disability or sexual orientation;
- Promotion of commercial services or products other than significant District sponsors, affiliations, or business partnerships;
- Confidential information of any kind;
- Promotion of political candidates;
- Promotion of illegal activity;
- Information that may compromise the safety or security of the public or public systems;
- Content that violates a legal ownership interest of any other party;
- Information that might compromise the safety or security of public buildings or activities;
- Solicitation of business.

A community guideline will be shared in a prominent place on District of Kitimat social media pages that explains public expectations for participation on the pages.

At the discretion of the CAO or Economic Development and Communications Department, comments may be suspended on a social media post. Where a separate policy specifies that no comments will be collected, that policy will prevail.

Crossposting

Communications channels that are distinct from the main corporate District of Kitimat page should always identify as being a part of the District of Kitimat.

An example is how on Facebook there is a District of Kitimat page and a Kitimat Leisure Services page. Whether in the page description or identified in profile images it should be clear it is a department of the District.

Effort should be made to tag the District of Kitimat when sharing posts. The District of Kitimat will, as well, tag associated pages when sharing its posts.

This process will apply to any channel associated directly with the District of Kitimat and its

programs.

COMMUNITY NOTICES AND EMERGENCY ALERTS

Community Notices are communications which relate to a temporary change in how residents use District of Kitimat resources, infrastructure, or facilities. This can include road closures and water disruptions.

Community Notices are shared on:

- Kitimat.ca
- District of Kitimat's Facebook page
- Voyent Alert service, if necessary
- Other official District channels or pages if deemed necessary

A Voyent Alert! critical alert will be activated in any instance where a road closure, Water Quality Advisory or a Boil Water Advisory is in effect for the community.

The Business and Communications Manager, in conjunction with employees of the relevant department, will prepare the content of these notices.

Emergency alerts relate to sudden events that affect residents' health and safety, including fire, earthquake and tsunami notices. The content and distribution of emergency communications will be prepared under the direction of the CAO or through the Emergency Operations Centre.

NEWSLETTER

The newsletter is currently prepared monthly and posted in all public District facilities, as well as hosted on our website. In the months of January, April, September, and December the newsletter is also distributed as an insert of the Northern Lights newspaper.

The Business & Communications Manager may contact department heads for content, generally around the middle of each month but departments are encouraged to proactively reach out to submit content or content ideas.

DIGITAL LED SIGN (at firehall)

A digital LED sign at the Public Safety Building, along Haisla Boulevard, is dedicated to community safety and community health messages.

REVIEW OF THIS DOCUMENT

The Economic Development and Communications department will review this document every two years.

LANGUAGE STYLE GUIDE

INTRODUCTION

This style guide is intended to provide a standard reference of best practices for terminology and language use in District of Kitimat communications.

PLAIN LANGUAGE

As established in the Communications Policy, the use of language should be simple and plain in external communications to increase understanding and reduce confusion for the public.

Plain language means that it is worded, structured and designed so that an audience can easily:

a) Find what they need.
b) Understanding what they find. And,
c) Use that information.[1]

An example of non-plain language:

"The District of Kitimat is leveraging its relationship with local community partners in the non-profit sector to fund incremental services for a wide demographic of residents."

An example of the above in plain language:

"The District of Kitimat works with nonprofit groups to provide funding for more resident services."

SIMPLIFYING COMMUNICATIONS

Simplifying your communications can include:

- Reducing or eliminating wonderful, important, and lovely adjectives.
- Reviewing text to ensure it is in the active voice. E.g. "The District has worked hard…" (passive) vs. "The District works hard…" (active).

Read what you've written out loud – is it challenging, or does it sound unnatural?

ACCESSIBLE AND INCLUSIVE COMMUNICATIONS

Communications should be crafted to ensure the principles of Equity, Diversity, and Inclusion. These can be simple choices that ensure no resident feels excluded from District communications:

[1] Further reading can be found in CAN-ASC-3.1:2025 – Plain Language from Accessibility Standards Canada.

Accessibility in digital communications

- Eliminate the use of shorthand, such as “DYK” for Did You Know, or “ICYMI” for In Case You Missed It
- When available, include “alternate text” on images. This will allow persons with visual challenges to receive information from digital images
    - Alternate text can simply include descriptions of the actions taking place in a photo to give a sense of the image for those with visual impairments. It does not need to repeat captions.
- Use subtitles for videos – many online video platforms can auto-generate these, or overlay the text from a video editor
    - Added benefit is many will not activate sound on mobile video, captions on video can mean audience still receives the message
- If using hashtags, use CamelCase – meaning capitalizing the first letter of each word in a hashtag. Example: #KitimatBound, not #kitimatbound

How we support inclusion in our work and communications

The District is committed to being an inclusive and diverse employer. Our job postings express that commitment in writing to potential candidates. Other ways we show our commitment to inclusion is the optional space we provide on our e-mail signatures to indicate our preferred pronouns.

Being an inclusive and diverse workspace means practicing it each day. In the spirit of being committed to being an inclusive and diverse workspace, consideration must be given to how information is communicated.

Pronouns

Individuals may prefer certain pronouns over others. Common examples of pronouns are **he/him, she/her, them/they**, but this is not a full list of every pronoun.

Gendered language

It is a best practice to avoid use of gendered language whenever possible. Examples of gendered language is saying “Manpower,” “you guys,” and using gendered job titles like “fireman,” when speaking or writing.

TONE AND VOICE OF THE DISTRICT

Depending on the channel, the District may use a different style of voice that is appropriate to the medium.

Social media

A friendly, helpful, and approachable tone. Open to using humour when appropriate. While

presented as a professional voice, it is not written to be technical or corporate. Written in a style to emphasize that a human being is writing the content.

It is important to walk the line between being approachable and being professional. Messages should be clear, include all the relevant details, and be considerate that it can be understood by the intended audience.

Website

Informative and clear. Information is as brief as necessary to present all the relevant information. Website will use a corporate voice and not use much personality in its style.

DISTRICT OF KITIMAT FACILITY NAMES

These are the full, formal names of District facilities. When using the full name of a facility the words must be capitalized but the names can generally be shortened with some exceptions noted below.

Kitimat Municipal Hall
Many casually refer to this as “City Hall” but Kitimat is not a city.

Tamitik Jubilee Sports Complex

The Tamitik Jubilee Sports Complex is comprised of:

Sam Lindsay Aquatic Centre
Tamitik Arena
Kitimat Ice Rink
Note: To avoid potential confusion, “Tamitik Arena” should not be shortened further to “Tamitik” in written communications, to ensure distinction from similarly titled Tamitik Status of Women.

Riverlodge Recreation Centre
Public Works Yard

Kitimat Municipal Landfill

Public Safety Building
The Public Safety Building is the home of the Kitimat Fire and Ambulance Service and the Kitimat Emergency Program.

SOLID WASTE ACTION PLAN

The following are the terms used in external communications relating to the Solid Waste Action Plan.

Blue bin – The residential curbside container for recyclable material other than paper-based products.
Green bin – The residential curbside bin for food waste.
Yellow bag – The curbside container for paper-based recyclable products.
Kitchen catcher – The indoor-based food waste container. Not a curbside container.

STYLE / TERMINOLOGY

A selection of best practices to improve readability and communications. Some of these are adapted from Canadian Press writing style.

Accessible | Use “Accessible” as a preferred term referring to places designed to support persons with mobility issues, such as accessible parking spots

District of Kitimat shorthand | Except for the first reference in a document, the “District of Kitimat” can be shortened to “the District.” Preferred over the “DOK” acronym.

Numbers | A number is written out as a word when between zero and nine, and the numeral will be used from 10 and higher. When a sentence begins with a number, always spell it out as its word, not the number, even if it is above 10.

Percentages | When using percentages, write “per cent” – with a space - after the number rather than using the % symbol in long-form writing.

Stakeholders | Reduce use of the term “Stakeholder”. Alternates include “Interested party,” “Project partner” and “Affected person.” In Indigenous context, consider “Rights Holder”.

Word choice | Consider whether word choices create a negative impression and consider alternate word choices. Example, instead of “Closed”, you might say “Adjusted hours” if we’re not going to be open at regular times. Decisions on word choice is of course a matter of context, and this guideline is intended to encourage thoughtful word choices.

INDIGENOUS CONTEXT

This section is to clarify terminology relating specifically to the Indigenous context, including terms relating to the Haisla Nation or **x̄á'isla Nation** which staff may come across.

“Haisla Nation” refers to the elected governing body of the Nation. The spelling, with an “H”, is used when referring to the organization or elected body of the x̄á'isla Nation.

“x̄á'isla” or “x̄á'isla Nation” refers to the general people and culture of x̄á'isla.

“Kitamaat Village” is the home community of the Haisla Nation. As a technical reference, Kitamaat Village is located on Indian Reserve (I.R.) 2.

“Haisla” as a word means “dwellers downriver”

“Unceded Haisla Territory” is the land area the Haisla Nation has historically used and continues to use for food and living. This Territory includes the land of the municipality.

Reduce reference to the term **“Traditional”** territory as it connotes a past tense lens and doesn’t reflect modern and ongoing use of the land.

“c’imo’ca” (chee-m-oh-tsa) is the Haisla name for Kitamaat Village, which translates to “snag beach”.

“Indigenous Peoples” is a collective term referring to the original peoples of North America, and “Indigenous” has generally replaced Aboriginal as the preferred term.

The three recognized groups of Indigenous Peoples, according to the Government of Canada, are: First Nations, Inuit, and Metis.

Using the term in the context of Canada, write **“Indigenous Peoples in Canada”** and **not** “**Canada’s Indigenous People”.**

INFORMATION SHARING

Selected highlights from this language and branding guide will be shared with District employees throughout each year.

APPENDIX A

LOGO USAGE

Logo Description

Strong, singular and intricate, the District of Kitimat's corporate logo depicts a single snowflake. This symbol has come to represent many unique and distinct attributes for Kitimat. First and foremost, the snowflake icon represents the 'Kitamaat' – a Tsimshian term meaning 'people of the snow'. With a distinctly temperate climate, Kitimat receives some of the highest snowfall levels in all of B.C.

The snowflake also represents the high number of outdoor recreational activities that residents enjoy, as well as the beautiful and majestic scenery, wildlife and views that surround the area.

The bold blue colour scheme signifies the amazing natural world that encompasses Kitimat, such as its skies and water channels.

The form of the logo's geometric shapes and its many separate, but unified pieces represent the different communities, neighbourhoods and sects of people all living in the same place.

Traditionally, the colour blue has also come to signify depth and stability – an important connection to the District's corporate values. Blue is considered a trustworthy and powerful colour – reflecting both the long history of the area and the people's and District's knowledge and authority over the land. The Haisla Nation often use a dominant blue on team uniforms, such as basketball.

The colour blue also represents a harmonious body and mind, produces a calming effect and symbolizes loyalty, wisdom, confidence, power, integrity, logic, intelligence, faith and truth.

General Guidelines

The District's logo is an important communications tool that contributes to the City's overall image and identity. It appears in multiple forms and media, including stationary, advertising, brochures, application forms, website applications, District signage and more.

The logo and wordmark typeface is TW Century MT.

The Twentieth Century font family is a geometric sans serif, created in 1937 by American typeface designer Sol Hess as a competitive response to popular typefaces like the Futura font family. The Twentieth Century font is based on the formal geometry and simplicity of the German modernist aesthetic.

Logo Specifications and Colour Palettes

Specification:

The District of Kitimat logo should appear in its single colour blue version whenever possible. Black is permitted on a white background, and white is permitted on a dark background. No other brand colour is permitted.

Printing limitations will exercise the need for grayscale (or black) options. Use the white colour option only on solid, dark backgrounds.

While these colours make up the recommended palette for District of Kitimat branding materials, it is understood and encouraged that staff use the most optimal option in the creation of their materials based on their project needs and budget.

C 100
M 98
Y 6
K 1

R 43
G 47
B 132

PMS 7687 C
Hex 2B2F84

Protection Space

To ensure the District of Kitimat's logo has optimal readability in every instance of use, staff must use proper protection space around the logo to distinguish it from its surrounding environment. This space must be free from any graphic or typographic elements.

This is achieved by placing the letter 'K' in the logo's surrounding corners to maintain proper protection space.

Recommended Backgrounds

For optimal visibility, the District of Kitimat logo must always be printed on a white background. The logo may also be reversed out of a Blue Pantone 7687C and black. The white logo on black background is recommended for newspaper ads and low resolution printing options.

Improper Use

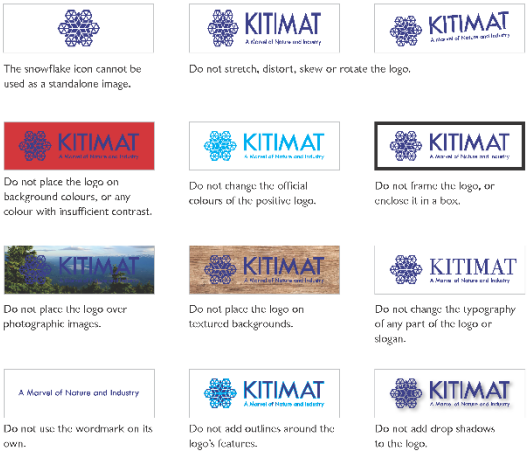

To successfully reinforce the corporate brand and identity, it is important that the District of Kitimat logo is presented accurately.

Under no circumstance should any component of the logo be redrawn, modified or altered in any way.

To ensure its legibility, do not reproduce the logo where the width of the logo is less than one inch (1"). For website applications, the minimum logo width is 137 pixels at 72 dpi.

1"

The snowflake icon cannot be used as a standalone image.

Do not stretch, distort, skew or rotate the logo.

Do not place the logo on background colours, or any colour with insufficient contrast.

Do not change the official colours of the positive logo.

Do not frame the logo, or enclose it in a box.

Do not place the logo over photographic images.

Do not place the logo on textured backgrounds.

Do not change the typography of any part of the logo or slogan.

A Marvel of Nature and Industry

Do not use the wordmark on its own.

Do not add outlines around the logo's features.

Do not add drop shadows to the logo.

Temporary watermarks may be placed on documents with the logo.

Logo Terms of Use

1. The District of Kitimat logo can only be reproduced with the expressed written consent of the District of Kitimat.
2. Accredited print and electronic media can reproduce the District of Kitimat logo for news items and articles without prior permission.
3. Media or publishers cannot reproduce the District of Kitimat logo in a special feature or "advertorial" supported by third-party advertising without the expressed written consent of the District of Kitimat.
4. The official colour of the District of Kitimat logo is Blue Pantone + 7687C.
5. The District of Kitimat logo can be reproduced in black, knock-out white or grayscale.
6. When placing the District's logo with a partner's logo, the District's logo must be placed side-by-side with the other logo(s) at an equivalent size.

Additional Usages of Logo

Logo in combination with Fire and Ambulance Services

When used in combination with the Kitimat Fire and Ambulance Services logo, the District of Kitimat logo shall appear alongside it, and in a similar size, except when displayed on firefighting equipment and in instances where the CAO decides otherwise.

Logo on uniforms/clothing

The District of Kitimat's full colour flat logo is recommended to be used on golf shirts. Embroidery is designed to be used on thicker materials, such as sweatshirts and jackets. Do not use embroidery on T-shirts, as the material is too thin.

Logos reproduced as uniform patches will be sized appropriately to fit the available standardized patches, with appropriate protection space around the logo.

Exceptions to the branding guidelines may be acceptable under certain circumstances with permissions from the Business and Communications Manager, Director of Economic Development, or the Chief Administrative Officer.

KITIMAT
A Marvel of Nature and Industry

INTRODUCTION

Kitimat is a Pacific Rim gateway community in British Columbia, located about 650 km (1,100 km drive) northwest of Vancouver and 110 kilometres (705 km by car) southeast of Prince Rupert. The community sits at the head of Douglas Channel. The surrounding coastal mountains create a sheltered harbour 140 km (90 miles) from open ocean and a wide, flat valley connects Kitimat to Terrace just 60 km to the north.

The District of Kitimat was incorporated on March 31, 1953 and has a land area of 320 square km. In 2016, Statistics Canada confirmed District of Kitimat's population to be 8,131.

Kitimat has a rich history, extending back long before European settlers moved to the Kitimat Valley. The Haisla Nation established summer and winter villages on the east shore of the Kitimat Arm before first contact. They built a strong economy based primarily on salmon and oolichan fishing.

In the early 1900s, many settlers moved to the area after Kitimat was a candidate site chosen for Canada's Grand Trunk Railway western terminus. Later, the development of a major industrial aluminum smelter in 1950 and the building of a Nechako River dam led to more progress in the area. Kitimat remains today a city closely in tune with both industry and natural beauty. Its opportunities for lasting careers, outdoor adventure and the chance to see majestic wildlife keep residents and visitors coming back to explore Kitimat's countless possibilities.

To heighten the District's profile and to maintain consistency within branding documents, online profiles and communication methods, the District has endeavoured to create a set of visual identity standards associated with its brand materials.

The purpose of this document is to provide consistent guidelines to all stakeholders when using brand materials, and to provide a cohesive image of the District to its audiences.

This document is intended for use by:

District Staff

District staff will use these guidelines in the development of all marketing and communications activities from the District, both internally and externally. Staff can receive direction and instruction on logo usage templates from this document.

District Partners

When partnering with other organizations, the District must have its branding materials represented properly across all marketing and communications methods, as outlined in this document, to achieve consistency.

Design Agencies

Any organization contracted to create new and unique marketing and communications materials involving the District's branding materials must review and adhere to the guidelines in this document. Where possible, design elements will be integrated into all materials created and work in partnership with the District's policies.

Any variations from these guidelines must be developed in consultation with the District of Kitimat. The corporate image (logo) and the related graphic materials are the property of the District of Kitimat; unauthorized use of this image is prohibited.

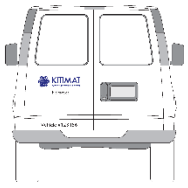

Logo as vehicle decals

The following components should be used when placing District decals on vehicles (vehicles must be painted white or blue):

- District logo can be sized appropriately according to the size and design of the vehicle, and positioned on the front, sides or back of the vehicle.
- Corporate website – kitimat.ca. The www. must not be included in the URL. The website may be included on the sides or back of the vehicle with the logo, and positioned outside the protected space required for the logo.
- Vehicle number, positioned on the front, sides or back of the vehicle.

The positioning of these components is determined based on the type of vehicle and in consultation with the District of Kitimat.

Logo as hardhat decals

The District of Kitimat logo must be sized to fit the width of the name plaque area on workers' hard hats.

KITIMAT LEISURE SERVICES

The District of Kitimat's Leisure Services logo can be used in direct tandem with the District of Kitimat corporate logo in any instances where District communications are related with Leisure Services activities. In printed and online material, the Leisure Services logo shall appear alongside the corporate logo, and in a size no larger than the corporate logo.

The Kitimat Leisure Services logo shall never appear on its own in communications material without the corporate logo.

Font Files and Point Size

All font files are in the Open Type file format. The fonts are compatible in both PC and Mac environments.

- Larger font is easier to read. Text should be between 12-18 points.
- Consider your audience when choosing point size.
- When emphasizing a word or passage, use a bold or heavy font.
- Italics or all-caps are not recommended.

Print Publication Components

Corporate publications may include an approved message from the Mayor and the official group photo of Council, when appropriate.

Publication design and layout must adhere to the corporate guidelines and include the following corporate elements:

- District of Kitimat logo
- District's address
- Main phone number (250-632-8900)
- Kitimat.ca website address, without using "www."
- Social media icons and associated URLs when appropriate
- Copyright and print information

The following information should be positioned on the back cover of internally developed print publications in the following format:

Paper Options

In order to project a strong, professional image throughout all printed materials used by the District of Kitimat when communicating with various stakeholder groups, it is important to establish consistent paper guidelines. Using a good quality stock with the District's materials will assist in developing this image. In general, use a matte or non-glossy finish to reduce glare. Avoid watermarks or complicated background designs.

For all materials created with the intention of external distribution to stakeholders outside the Corporation of the District of Kitimat, the following paper options may be chosen:

Cover Weight Stock

- 65 to 110 pounds Index Exact in White.

Text Weight Stock

- Uncoated: 20 pound Print White or equivalent.
- Coated (for colour copiers): Mohawk Colour Copy 28#, Copy Gloss Text and Cover Weight or equivalent.
- Coloured Options: Please consult with the District of Kitimat.

Specialty Paper

- Parchtone Cover and Text Weight: Relic Gold, White or equivalent.

Paper samples will be provided by the selected print supplier.

WEB AND PRINT APPLICATIONS

Web Logo Application

The District recognizes the web as a powerful and important tool to deliver important messages, notices and advertisements to the viewing public, in our region and abroad. The following are tips and examples to help deliver a consistent message on the web and other electronic media.

Home page banners

Banner content should draw attention to the corporate look and feel of the District of Kitimat brand. It should follow the corporate look and feel and include a call-to-action. Avoid using too much copy.

The approved colour for use is RGB 13, 47, 132.

In order to effectively create awareness using a web banner placement, it should be promoted for at least two weeks.

Web logo placement

DO NOT:

- Scale the logo smaller than 137 pixels in width.
- Distort, skew, stretch or apply effects to the District's logo on a website, email or multimedia presentation.
- Place the logo on an external website or email without consultation of the District of Kitimat.

Typography
